

On The Record

OBITUARIES

TERNYIK—Joyce She married Wilbur Ann Ternyik, 81, of Florence, passed away early Thansgiving morning, Nov. 22, 2018.

She was born Aug. 3, 1937, in Pueblo, Colo., to Arthur and Virginia Miller.

Joyce Ternyik

Joyce was very dedicated to her husband and

worked alongside Wilbur throughout his many endeavors, including their business Wave Beach Grass Nursery.

She was a stay-at-home mother for all of her five children and counted those years as the happiest of her life. She was a wonderful grandmother, lovingly known as “Grand-

ma Joy,” who spent so many precious moments with her grandchildren and great-grandchildren.

Being a woman of faith, she was often in prayer for her family, friends and anyone in need. Her sweet smile, tender heart and loving encouragement will be greatly missed by all who knew her.

Joyce was preceded in death by her parents; her husband Wilbur; her son Michael; and her granddaughter Natasha.

She is survived by her son Bill Vermilyea and wife Kathy; her daughter Patti Mead and husband Bill; her daughter Kathi Smith and husband Jim; her son Matt Ternyik and

wife Wendi; her daughter-in-law Crystal Ternyik; 14 grandchildren and 15 great-grandchildren.

A celebration of her life will be held Saturday, Jan. 12, at 1 p.m., at the New Life Lutheran Church, 2100 Spruce St. in Florence.

Volunteers needed for annual county homeless count Jan. 31

Volunteers are needed to make this year’s annual Point-in-Time Unsheltered Street Count as comprehensive as possible. Volunteer duties include collecting electronic surveys using the Survey 123 app and canvassing an assigned geographic area for people experiencing unsheltered homelessness.

“Last year, we had over 300 volunteers, which enabled a new level of data collection for us,” said Lane County Human Services Supervisor Alexandra Dreher. “So far this year, we are severely short staffed and need additional volunteer support.”

This year’s Count will take place across Lane County between the hours of 8:30 a.m. to 11:30 a.m. on Thursday, Jan. 31.

A short training is provided prior to the count

to help prepare volunteers for the count.

The Point-In-Time Count provides a useful tool for understanding homelessness and year-over-year trends in our community. One-night counts are required by the Department of Housing and Urban Development and Oregon Housing and Community Services, which provide funding for housing and services related to homelessness.

The information gathered during the Point-in-Time Count is used year-round by planning boards, nonprofits, community organizations and policy makers on local, state and federal levels to inform their work on this issue.

For more information and to sign up to volunteer, visit www.Lane-County.org/Homeless-Count.

Lane County Sheriff’s Office releases saturation patrol results

During the Christmas/New Year’s holiday, Lane County Sheriff’s Office deputies conducted overtime saturation patrols focused on reducing impaired driving and related vehicle crashes and injuries.

These patrols were funded by grant money provided through the Oregon State Sheriffs’ Association and the Oregon Department of Transportation.

During this two-week saturation period, deputies on grant-funded overtime made a total of five DUII arrests. There were an additional 10 DUII arrests in this two-week period by deputies on straight time (not funded by the grant).

In addition to the DUII arrests, deputies on grant-funded overtime contacted community

members and gave 72 warnings (in lieu of citations), made seven arrests and issued the following citations:

- 8 Driving While Suspended
- 1 Speeding
- 1 Distracted Driving
- 14 Other Citations

During the same time period last year, there were 15 DUII arrests.

There were 36 hours of grant-funded overtime worked by deputies this year as compared to 30 hours last year.

Grant funding will provide additional overtime for DUII Saturation Patrols throughout the year for holidays and Lane County special events. Lane County Sheriff’s Office requests that everyone have a safe new year.
