DAR Oregon Dunes Chapter welcomes new members

Carol Dowty and Joan Gualco were welcomed as new members of the Oregon Dunes Chapter Daughters of the American Revolution (DAR) at the March 22 meeting.

Dowty shared that several years ago a previously unknown second cousin contacted her wanting information about her immediate family as she put together a Sikes/Sykes family album.

Her grandmother, Carrie, was a sister to Dowty's

great-grandmother, Mary, both of whom descended from Jacob Sykes III.

His ancestor was Richard Sikes, who emigrated from England around 1636. Sikes' descendants included six who served in the American Revolution.

"The love of God, country and American history are close to my heart and closely align with DAR Creed," said Dowty. "I joined not only because we all share a common ancestry, but I hope to learn even more about my history and that of my DAR sisters."

Gualco explained that her grandsons, who have served in the military, asked her to join because they were in-

terested in family members who had fought in the Revolutionary War.

"As I researched the genealogy for membership, I found it interesting to see how many had served," said Gualco. "Our direct line was a diverse group living throughout the Boston area".

Daughters of the American Revolution was founded in 1890 and established in Oregon in 1896. The Oregon Dunes chapter celebrates its 11th birthday this month.

As a non-political, lineage organization, DAR's mission is to promote historic preservation through three Oregon museums, encourage education through youth programs

and to celebrate patriotism through service to veterans and active-duty military personnel.

Any woman age 18 or older, regardless of race, religion or ethnic background, who can prove lineal descent from a patriot of the American Revolution is eligible for DAR membership.

Women interested in membership can contact Karen Childs at 541-997-7154 to attend a meeting as a guest.
