## Local Coast Guard Auxiliary to offer free vessel exams at Y Marina next Saturday

The Eugene/Florence Coast Guard Auxiliary Flotilla, which serves Coast Guard Station Siuslaw, will provide free vessel safety exams at Y Marina in Florence on Saturday, May 4, from 10 a.m. to 2

p.m. The event is designed to promote National Safe Boating Week, May 18-24, the official launch of the 2019 Safe Boating Campaign.

The vessel exams review a

boat’s essential safety equipment to ensure that it is available and in full working order.

Examiners follow a Coast Guard checklist of required and optional equipment so

that the recreational boater can be safe and safety-conscious on the water.

Boaters whose vessels pass the voluntary exams receive a sticker and a record of the examination.

Life jackets, fire extinguishers, onboard visual distress signals and much more are examined.

U.S. Coast Guard statistics show that drowning was the reported cause of death in

four out of every five recreational boating fatalities in 2017, and that 84.5 percent of those who drowned were not wearing life jackets.

## Dunes City seeks volunteers to help with annual triathlon, duathlon event in June

Dunes City will host the 7th annual Oregon Dunes Triathlon and Duathlon on Saturday, June 8.

Most volunteers work only a half day and all volunteers will receive a free commemorative t-shirt. Volunteers are needed between approximately 6 a.m. and 1 p.m. on race day.

Anyone with a few hours to spare who wants to be part of this exciting event can call Dunes City Hall at 541-997-3338 to sign up.
