OBITUARIES

NELSON—William A. Nelson, 87, of Florence, passed away March 5, 2019, after a period of declining health.

He was born in 1932 in Minneapolis, Minn., where he attended Hale, Ramsey and Washburn schools. As a young man, he served in the U.S. Army during the Korean Conflict, with the 187th Airborne Regimental Com-bat Team. He was very proud of his contributions as a medic and paratrooper.

After receiving his Associate of Arts degree at the University of Minnesota, he became involved in sales, first as a 20th Century welder salesman, then as a sales representative in the automotive aftermarket field. He often joked that he was known as the “Mud Flap

William Nelson

King of the Upper Midwest.”

He enjoyed many outdoor activities, including hunting, fishing, biking, canoeing, kayaking, sailing, cross-country skiing and traveling. Reading and playing bridge were his favorite indoor activities.

Those who knew him loved his easy-going way with people, his quick smile and hearty laugh. He was always up for fun, a challenge, an adventure — not to forget a cribbage game.

He is survived by his wife of 50 years, Eloise (Peters) Nelson, nieces and nephews, great-nieces and great-nephews and their families, and many friends with fond memories and stories to tell about this extraordinary guy.

He is sorely missed. A Celebration of Life ceremony will be held in Minneapolis on June 14, beginning at 10 a.m., at the Michael Servetus Unitarian Society, 6565 Oakley Drive, NE Fridley, Minn., 55432.

MEAD—Penny Roberta Mead, 77, of Florence, passed away April 28, 2019.

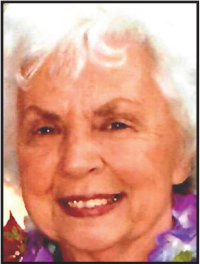

Penny was born May 30,

1942, in Illinois to Robert and Marie Dvorak. They moved to Florence, living near Mercer Lake.

Penny received her bachelor’s degree from California State Poly-tech College San Luis Obispo, Calif. She enjoyed sailing (especially tipping the boat over), loved puzzles, picnics, potlucks and traveling with the RV club.

She was chosen as RV activity director, where she planned programs and skits and wore silly costumes. One day when she was out on Mercer Lake, Penny met the local school principal and he was so impressed that he told her there was a job waiting for her if she wanted it. She always said that this was her first and only teaching interview!

From that day on, Penny won the hearts of school

Penny Mead

staff and children by bringing in boxes of kittens or bunnies, cooking and reading of other cultures, and making learning fun.

She also taught line dancing, followed the Trail Blazers and played bunko with friends. Penny was full of laughter and loved and cooked great food.

Penny married Gary Saubert in November 1965; he passed away in November 2004 after 41 years of marriage.

On Aug. 28, 2008, Penny married Loren Mead. He describes Penny as “perfect in every way” as do his children, Lonnie, Susie and Alan, along with our families. Penny’s final day was truly a perfect gift to the family.

She gave us her smiles, laughter, and occasional exchanges of “I love you’s” and a parting kiss. Penny left this world the evening of April 28, following surgery. She loved life and was loved by all.

Ballots should have arrived for May 21 election

Lane County Elections mailed ballots last Wednesday for the May 21 Special Election. Most voters should receive their ballots by today, May 8. Ballots for newly registered voters will be mailed early next week.

Voters who do not receive a ballot for the May 21 Special Election by today can check on the status of their registration and ballot at www.oregonvotes.gov.

They may also contact Lane County Elections at 541-682-4234 to determine if they need to update their voter registration in order to receive a ballot.

Voters may drop off their ballots at the drop box lo-

cated at the Florence Justice Center on Ninth Street.

Drop boxes are open and will remain open until 8 p.m. on Election Day.

This is the second election in which the new secrecy sleeve is replacing the secrecy envelope that used to come with ballots. The optional sleeve allows voters to protect the privacy of their votes while making the ballot processing more efficient. It is much faster to remove ballots from the secrecy sleeve than an envelope

and, ultimately, Lane County Elections will be able to process ballots faster and release election results more quickly.

Lane County Elections is located at 275 W. 10th Ave., on the corner of 10th and Lincoln streets in downtown Eugene.

Public office hours are 9 a.m. to noon, and 1 to 4 p.m., Monday through Friday. On Election Day, May 21, the Lane County Elections Office will be open from 7 a.m. to 8 p.m.

Additional delays have begun along Hwy. 126

Travelers should expect up to 20-minute delays on weekdays along Highway 126 between Florence and Eugene Highway for the next several weeks as crews replace bridge railings on a small bridge to the west of Fischer Road.

Currently, one lane will be closed 24 hours a day during the week. Flaggers will direct traffic through the work zone. The road will be open on weekends.

This is part of the Highway 126 Paving Project between Veneta and Eugene that began last summer. Travelers may have a second stop as 24-hour lane closures continue at the passing lane project west of Walton. 24-hour lane closures end this Friday, May 10, at noon; weekday lane closures will resume on Monday, May 13.
