Library Tidings

News about the Siuslaw Public Library

Library Tidings, a regular feature of the Siuslaw News, features news about upcoming Siuslaw Public Library programs for adults and children, new books and videos, and other library news of interest to the community.

Library Tidings by Kevin Mittge

Book Review "The Perfect Alibi" by Phillip Margolin

When a young woman accuses college-football superstar Blaine Hastings of rape, the DNA evidence against him is overwhelming. Yet the athlete swears his innocence and threatens both his lawyer and his accuser. When a second rape occurs, the DNA evidence again points to Hastings. The only problem? Hastings was in prison when the crime was committed. As a result, the convicted athlete, represented by a new lawyer, is granted a new trial and bail. Shortly thereafter, his original lawyer disappears and his law partner is murdered.

Robin Lockwood is a young lawyer with a prestigious small law firm and a former MMA fighter who helped pay for Yale Law School with her bouts. She is representing the victim of the first rape, who is convinced that Hastings, out on bail, is stalking her and trying to intimidate her. At the same time, another client is up on a murder charge — one that should be dismissed as self-defense — but the D.A. trying the case is determined to bring it to trial. Now she has to mastermind two impossible cases, trying to find

the hidden truth that links them.

Portland author, Phillip Margolin, the master of the legal thriller, returns in one of his most twisted, compelling crime novels yet.

Pop-Up Bookstore

What's a pop-up bookstore you may ask? Well, the Friends of the Library's shelves are overflowing and prior to their larger sale in June, they are going to have a smaller "pop-up" sale in the library's lobby this Friday, May 17, from 10 a.m. to 5:30 p.m.

This one-day sale will offer fiction books only, including pocket books, trade paperbacks, and hardbacks. The usual array of bookstore materials will be available at the bookstore just inside the library's doors.

Each pair of books are available for download for one week's time before the next selections become available. If you have questions, check with library staff.

"A Universe of Stories"

"A Universe of Stories" is the theme of this year's summer reading program for children, teens and adults, and the excitement is building. This theme was selected nationally to celebrate the 50th anniversary of the Apollo moon landing. All kinds of wonderful programs are planned and a lot of books will be read! Be sure to look for additional information in "Tidings" and at the library towards the end of May.

Registration will start June 1.
