The Garden Bug

Recycling food containers

Instead of throwing out all your used food containers, clean and re-purpose them for your garden. Plastic tubs can hold cuttings or young plants. Plastic lids can protect surface damage by clay pots. Glass jars can hold candles, seed pods or flowers in water. Egg trays can be seed starters. Cardboard can be used to block weed growth in flower beds. Make a funky garden art/birdhouse/collectables display by nailing cans to a board, using buttons, beads, rocks or shells to decorate it.

HOROSCOPES

ARIES - Mar 21/Apr 20

Aries, you may want to cut back on physical activity for a little while, especially if you have been nursing an injury. Don't worry, you'll get back in the saddle again soon.

TAURUS - Apr 21/May 21

Taurus, someone you

thought was a friend may be looking for something more. If you are in a relationship, you'll have to set this person straight.

GEMINI - May 22/Jun 21

Focus your attention on something creative instead of analytical this week, Gemini. You can probably use a break from spreadsheets and bar graphs.

CANCER - Jun 22/Jul 22

Cancer, too many projects and people vying for your attention make it tough for you

to see anything through to completion. There will be time to get it done in the future.

LEO - Jul 23/Aug 23

There is a lesson to be learned this week, Leo. But you will not know what it is until you're in the thick of things. You will come out ahead either way, so don't fret.

VIRGO - Aug 24/Sept 22

Virgo, you have the future on your mind, specifically where you will be in a few months or years. If you are not

content, start mapping out a plan to follow.

LIBRA - Sept 23/Oct 23

This is a week to bring order and organization to your home. Doing so will allow you to focus your attention on important matters, Libra.

SCORPIO - Oct 24/Nov 22

Scorpio, attention naturally comes your way, and you won't do anything out of the ordinary to direct more of it to you. In fact, spend some time out of the limelight if you can.

SAGITTARIUS - Nov 23/Dec 21

Give yourself a few days to lounge around and enjoy some rest and relaxation, Sagittarius. You can probably use it right now if the pace has been hectic.

CAPRICORN - Dec 22/Jan 20

Avoid making any binding promises this week, Capricorn. Your mind just isn't fully into things, and you need extreme focus to follow through.

AQUARIUS - Jan 21/Feb 18

Aquarius, focus on bringing some more romance to your relationship this week. Send cute texts or leave love notes around the house. These little actions will add up.

PISCES - Feb 19/Mar 20

Your charm is off the charts lately, Pisces. You can get just about anything you want. Just make sure your powers are put to good use.

MEET DIESEL

Diesel is a one year old, male, German Shepherd, Chow mix looking for a loving home. He is a smart, sensitive and loyal boy who loves to give affection once he gets to know you.
