

SIDE SHOW

The **rose** plant itself is said to be around 35 million years old; it has a very long history as a symbol for love and beauty *and* for politics and war. Cultivation of roses began some 5,000 years ago, probably in China. During the Roman period, they were used as confetti at celebrations, for medicinal purposes, and as a source of perfume. Roman nobility established large public rose gardens in their cities.

CANCER – June 22/July 22
Keep an open mind when someone presents an idea to you, Cancer. It's easy to blow it

LEO – July 23/Aug 23
Now may be the time to share responsibilities with others, Leo. This is especially true if you are facing deadlines and simply cannot meet them in time.

VIRGO – Aug 24/Sept 22

an opportunity to reciprocate in time.

LIBRA – Sept 23/Oct 23
Not everyone is on board with your new plan, Libra. You may have to present it a few times before you get a few takers. Be persistent to win others over.

Scorpio, even though it seems like there are many obstacles in your path, you will be able to get through relatively unscathed if you have the right

people on your side.

MEET SUNDAY
Sunday is a laid back 3 year old gal, with plenty of love to give. She loves to explore and play, but also loves to just lounge around and enjoy the sun. Sunday has been diagnosed with liver disease, but with high quality food and medication (which she takes very easily) she is doing fantastic and enjoying life. If you're looking for a great cat with that special personality, come and meet Sunday.

MEET TIPPY
Tippy is a one year old, female, lab/hound mix who loves people. This sweet girl would love a family to call her own who will take her hiking and running and to the dog-park. Tippy has been diagnosed with muscular atrophy and will need to be on medication for it, but she takes it well and it's inexpensive.
