DMV to offer Smokey Bear license plates

The Keep Oregon Green Association Smokey Bear vehicle license plate will be available for Oregon passenger vehicles starting Aug. 1. The plate is only for passenger vehicles titled and registered in Oregon.

The DMV cannot accept or process applications received before Aug. 1.

In addition to regular title, registration and plate manufacturing fees, the Smokey Bear plate has a \$40 surcharge due when individuals first order the plate and at each registration renewal. The surcharge is the same amount for four-year or two-year registration periods.

Customers who purchased a prepaid voucher can submit that with their application in lieu of the surcharge; the voucher may only be used once. The Keep Oregon Green Association was required to sell at least 3,000 vouchers before DMV could start implementation of the Smokey Bear license plate. Surcharge funds will go to the Keep Oregon Green Association.

For more information on the association, visit www.keeptoregongreen.org.

Custom (vanity) and Amateur Radio Operator (HAM radio) versions will be available on the Smokey Bear plate. DMV cannot reserve specific number-letter configurations for license plates. Also, DMV does not sell "sample" versions of license plates.

People can apply for the plates by mail, at DMV field offices, online or through licensed vehicle dealers when they purchase a car. Customers cannot apply for a Smokey Bear plate online if they are submitting a pre-paid voucher.

Customers cannot replace vehicle plates through DEQ emissions testing stations (emissions tests are required only in parts of the Portland and Medford metropolitan areas).

The cost of a set of plates depends upon when and how a vehicle owner applies for a new set. Here are two common scenarios:

One plate — ordered within 120 days before a vehicle's stickers expire:

- Smokey Bear surcharge: \$40 (also paid at every renewal) or a pre-paid voucher

- Plate fee: \$24.50 for the pair

- Plate replacement fee: \$5

- Registration renewal: \$112 (Multnomah County residents add \$38; Washington County residents add \$60)

- Total without a voucher: \$181.50 (\$219.50 in Multnomah County; \$241.50 in Washington County)

- Total with a pre-paid voucher: \$141.50 (\$179.50 in Multnomah County; \$201.50 in Washington County)

Two Plates — ordered more than 120 days before a vehicle's stickers expire:

- Smokey Bear surcharge: \$40 (also paid at every two-year renewal) or a pre-paid voucher

- Plate fee: \$24.50 for the pair

- Plate replacement fee: \$10

- Total without a voucher: \$74.50

- Total with a pre-paid voucher: \$34.50
