Golfers leave after a shotgun start during the annual Rotary ‘Cool at the Coast’ golf tournament and fundraiser.

10TH ANNUAL ‘COOL AT THE COAST’ TO TEE OFF AUG. 3

On Saturday, Aug. 3, players will tee off at Ocean Dunes Golf Links for the Rotary Club of Florence’s 10th annual “Cool at the Coast” golf tournament.

But they won’t just be playing golf; they will be raising funds to support families and youth right here in Florence.

Rotary Club of Florence assists in supporting many community programs, including Habitat for Humanity, The Boys and Girls Club and by

donating backpacks for students going back to school.

Along with the many Florence community projects, this year’s annual golf spectacular will raise funds for Rotary International’s “End Polio Now Campaign.”

Golfers in the tournament will be part of the effort to eradicate Polio from the planet — and there’s still time to participate in that effort, as well as the fun, but spots are going fast.

In addition to raising funds for good causes, “Cool at the Coast” has gained a reputation for a great day of golf, cool prizes, good food and always spectacular weather.

Sponsors this year include: Host Sponsors Three Rivers Casino and the Ocean Dunes Golf Links; Hole-in-One Sponsor All State Agency Owner Bob Garcia; Platinum sponsors Oregon Pacific Bank, Coldwell Banker, PeaceHealth, Holmes-Linton Dental,

Banner Bank and the Mehlum Family Foundation.

The “Cool at the Coast” tournament will start with the Aero Legends bi-plane flyover at 10 a.m.

Entry fee is \$89 per player, limited to first 128 players. To register, call 541-997-3232 or visit www.theflorencerotary.org. Registration forms are also available at Ocean Dunes Golf Links, 3345 Munsel Lake Rd. in Florence, or call the clubhouse at 541-997-3232.

SHS HALL-OF-FAMERS TO BE INDUCTED NEXT WEEK

In a little over a week, Siuslaw High School will celebrate the induction of a new group of athletes to the school’s hallowed Hall of Fame during a special banquet and ceremony on Friday, Aug. 9, at the Florence Events Center.

Tickets for the dinner and induction ceremony are \$25 per person and can be purchased at State Farm Insurance, 1275 Rhododendron Dr., Monday through Friday, from 8 a.m. to 5 p.m.

Doors will open at 5:30 p.m.

Selection to the Hall of Fame is based on at least one of four criteria, including athletic accomplishment during and/or beyond high school; team success or achievement; contribution to the athletic program and its success as a private citizen; as an outstanding district employee; or academic

achievement beyond high school.

For more information on the Siuslaw Hall of Fame or this year’s induction ceremony, visit the HOF Facebook page at facebook.com/groups/SiuslawHOF.

This year’s inductees:

• Girls 4x100-meter state champion relay teams for 1996 and 1997 were: Teola Wilkins, Kirsten Daniel, McKenzie McMullen and Alisa Worley.

• Both boys’ teams relay teams still hold school records. The state champion 4x100 relay team (1996) was Jeremy Long, Tristan Hartzell, David Richmond and Matt Pearson. The state champion 4x400 team (1997) was Jon Jensen, Matt Pearson, Aaron Long and David Richmond.

• Scott Parker (1983) was a standout on Siuslaw’s 1981 state 2A championship football team and according to

some the best football player to come out of Siuslaw. Parker led the Viks in rushing that season, including 1,085 yards on 115 carries during league play, scoring 16 touchdowns and 102 points leading Siuslaw into the play-offs in 1981 — where they tied for the state 2A title with South Umpqua in a 0-0 stalemate.

• Andy Rodet (1992) won state titles in both the long jump (21-8.5) and triple jump (45-1) his senior year 1992.

• Bruce Plaep (1972) still holds the school record in the shot put (52-1) set in 1972, and once held the school’s discus record (154-6), which is still Siuslaw’s fourth-longest throw in school history. He was a three-sport athlete who also competed in football and basketball.

• Raelyn Robinson (2011) won state titles in Cross

New 14-day limit set for selected campgrounds

In an effort to protect Forest resources and visitor health and safety, the Umpqua National Forest has implemented and is enforcing a stay limit of 14 days in several areas that have previously been used for more long-term camping areas located within the Tillier Ranger District.

These areas are not maintained to provide long-term use by forest visitors.

Long-term camping at locations that are popular and

easily accessible has increased significantly in recent years, limiting the opportunities for other campers and Forest users.

Monitoring has shown that long-term and unmanaged camping often leads to resource impacts, including removal of vegetation from areas, user-created trails, improper disposal of human waste and other refuse, and damage to soils.

“As a result, visitors and

Forest staff are experiencing an increase in health and safety risks, as well as the potential for unsafe water quality,” said Kathy Minor, Tillier District Ranger. “By limiting camping to 14 days, all Forest visitors will also have a fair and equitable opportunity to visit and enjoy the Umpqua National Forest.”

For more information, call the Tillier Ranger District with site-specific questions at 541-825-3100.

ODFW REGIONAL FISHING REPORT

www.dfw.state.or.us/RR

MID COAST LAKES:

Stocking of the mid-coast lakes began the first week of February and will continue into June. Check the stocking schedule online for dates and locations of stockings. These early stockings include: Alder and Dune Lake, Cleawox, Lost Lake, Munsel Lake, Thissel Pond, Mercer Lake, Big Creek Reservoirs, Ollala Reservoir and Devils Lake.

Warmwater fisheries are improving in several lakes around the Florence area including: Siltcoos, Tahkenitch, Mercer, and Munsel.

ALSEA RIVER: *Cutthroat trout*

Trout fishing in streams is open. Check regulations for open areas and gear restrictions.

SALMON RIVER:

Cutthroat trout

Trout fishing is open in rivers and streams. Check the regulations for open areas and gear restrictions.

SILETZ RIVER: *Summer steelhead, spring Chinook, cutthroat trout*

The Siletz River is open year-round for steelhead. Summer steelhead fishing continues to be slow so far this season but should continue to improve through August. The 4-mile bridge (aka Steel Bridge) in the Siletz gorge is open to motorized vehicles but is only open to public vehicles on the
