HELLO FROM HEAVEN

— Psychic Medium Daniel Monroe —

The Florence community will get a special "Hello from Heaven" with Psychic Medium Daniel Monroe, who will take over the Florence Events Center, 715 Quince St., on Friday, Sept. 6, at 7 p.m.

Do you have a loved one that you would love to connect with? Would you like to receive validation that your loved ones are still a part of your life?

Monroe is an extremely gifted and well-known psychic medium from the Portland, Ore., area with the ability to "hear" and "see" that which most cannot. People are invited to let him help them understand and receive answers to the questions that may linger in their mind so that hearts can heal.

During this extraordinary gallery event full of messages from spirits, people will experience and witness the remarkable healing messages from loved ones in heaven.

As with any gallery reading, not everyone is guaranteed a direct reading; however, spirit does "piggyback" — meaning there can be messages encoded in the readings.

Portland-based 22-year-old psychic medium Daniel Monroe will be in Florence on Sept. 6 for both a workshop and formal event.

General admission tickets are \$20.

The event is located on the flat floor of the Florence Events Center, 715 Quince St., and concessions will be open.

The event is 1.5 hours long, with no intermission. It is open to audiences 12 years and older.

At the age of 17, Monroe took himself out of his surroundings and found his true self as well as his full potential as a gifted young psychic medium. Now at only 22 years old, he has helped not only himself, but over 1,500 people reconnect with their loved ones by validations, bringing peace and understanding.

Monroe has dedicated himself to helping as many people he possibly can.

At any moment, people may hear a message that rings true in their heart, which means that message can easily be for them as well.

VIP Tickets are available and include preferred section seating, access to the after-show meet and greet and a selfie with Monroe. These special tickets cost \$30 and only a limited number are available.

If that is reconnecting someone with their departed loved ones or by helping others find comfort and peace within themselves by hearing his story, this can help people know they are not alone.

This event is brought to Florence through Justin Buckles Productions. For more information about Monroe, visit www.mediumdanielmonroe.com.
