Senior Health Insurance Benefits Assistance

Individuals who have Medicare in Oregon can call the Senior Health Insurance Benefits Assistance (SHIBA) program for free advocacy and counseling services.

SHIBA-certified counselor Mitch Tlustos and cohorts will be on hand to answer questions about Medicare, schedule appointments during Open Enrollment, and provide information about your health care choices.

SHIBA is a government-funded consumer education program. Services are private, individual and free.

Local SHIBA volunteer counselors provide year-round appointments for clients on Medicare or soon to be eligible for Medicare.

SHIBA is always recruiting new volun-

teers. Being a SHIBA volunteer is highly rewarding.

Plus, SHIBA has monthly appointments year-round at Lane Community College.

If someone needs help with Medicare or is interested in volunteering, call 541-736-4421 and leave a message.

Stop by at the expo and say, "Hi!"
