I started out in emergency services in 2016 when I joined Siuslaw Valley Fire & Rescue. Since then I have found a love for firefighting and EMS. I obtained my EMT-B license in 2018 and am currently in school for my paramedic. I currently work at the fire department as a Resident Firefighter/EMT, Western Lane Ambulance as an EMT, and Peace Harbor Hospital as a Patient Access Representative. In my free time, I love to go hiking, work out, build computers and hang out with the other guys at the station. My goal is to become a career Firefighter/Paramedic.

I am a volunteer firefighter/pump operator and EMT. I also work as a security officer for G4S in contract for Peace Harbor Hospital. I joined the fire department to help my community, my country, and to have adventures. I have found nothing more rewarding than public service and the family you gain as a firefighter.

Brandon graduated from the FF1 academy in the Spring of 2019. He joined because he has always wanted to be a firefighter. In his spare time, he plays the guitar and also builds guitars.

I'm a medical assistant with Peace Harbor Hospital in Florence and I work part time with Western Lane Ambulance as an EMT. I joined the fire department because I love helping people and I want to make a difference in my community. I am going to school right now doing my pre-regs to become a paramedic and then get my fire science degree.

I joined SVFR after graduating from the academy in the Fall of 2018. I have served in the Coast Guard since 2007 and look forward to experiencing everything that the job of a firefighter has to offer. In my off time I love cooking.

I was an Airborne Infantryman in the U.S. Army for six years with two deployments to Afghanistan. I was raised in Colorado and in 2018 moved to Florence with my girlfriend Vivian (who is currently an SVFR Volunteer firefighter) and our three dogs. I also work as a part-time EMT with Western Lane Ambulance and wildland firefighter in the Summer/Fall. I wanted to join SVFR because I really enjoy the atmosphere and comradery and want to make a difference in the community. We enjoy all the outdoor sports, hunting, fishing, kayaking, hiking etc.

I graduated from the FF1 academy in the Spring of 2019. I joined the fire department so I can be involved in the community by helping out in time of crisis. I do a lot of activities with my family, camping, eating out, or just hanging out at home, working around the property. I recently helped a friend renovate a restaurant.

I joined SVFR in the Fall of 2018. I am a retired corporate technical manager who spends as much time outdoors as possible. My interests easily outnumber my ability to pursue them all, but that doesn't keep me from trying. I am married with five kids and four grandkids running around somewhere.

I joined SVFR in the Fall of 2018. I am currently retired. Both my wife and I are from California and moved to Dunes City two years ago. "All my life I wanted to be a firefighter. At the age of 60 I am going to give it my best effort."

I graduated from the FF1 Academy in the Spring of 2019. In my full-time job I work at Safeway in management. I moved to Florence in 2018 and joined the SVFR team to be involved with the community and to help others. My two girls, one a teenager, still live at home, and we like to be outdoors, hiking, camping and going to the beach.

Originally a Colorado Native, I moved to Florence February 2018 on a whim with my better half and our three dogs. We enjoy exploring Oregon every chance we get. I'm a proud volunteer with Siuslaw Valley Fire & Rescue and a proud employee of the City of Florence as a Communications Officer. I look forward to growing within the community & these professions. I enjoy helping and serving those in need.
