

Keller Williams REALTY Florence

I'm Alaura, seventh generation Oregonian blessed to be born and raised in Florence. I'm in my first year of Real Estate at Keller Williams REALTY. When I meet clients it gives me a new humble perspective about the city I grew up in. I love to hear all the reasons why others fall in love with Florence. I moved to California for five years but there was something about Oregon that kept calling me home. I'm happy to be back sharing experiences only the coast has to offer.

Shorewood Senior Living

I moved to Florence from Idaho four years ago, but I feel like I have lived here forever. I and my three daughters felt at home quickly. I love the pace and the peace I find when I go on a run. I remember my first run because I encountered a bear. That was quite a shock. I moved here to manage Shorewood Senior Living. It feels so good to have the right staff, an almost full Community, and a lot of happy Residents. Things were not easy at first, so I feel like I earned the right to say "there is not a better place to work". If you are looking for a fun and easy way to live, stop by Shorewood and talk with us about making this your home and join our Shorewood family.

Coldwell Banker Coast Real Estate

I'm a born Oregonian and have been in the Florence area since 1979. In my previous life I owned and operated 2 restaurants for 25 years, which pretty much took all of my time. In 2005 I finally got my real estate license and made the wise choice to join the Coldwell Banker team. I totally enjoy working with customers from the start of the transaction until the finish, making sure everything runs smoothly. What I like about being at Coldwell Banker is that we all work as a team. Not only do you get my services, but the experience of everyone here. It's a great place to work and hope you'll think of using the Coldwell Banker "Team" next time you decide to buy or sell. Call me anytime, I always make time for my customers.

Tiffany Rogato moved to Oregon from California in 1992 and to Florence in 1993. The town shares a name with her grandmother. In 1994 she opened Florence bookkeeping with the fanfare of one flyer. This company grew quickly. Four years later, with the prompting of local business owners, she started Welcome to Florence, a greeting service that welcomes many newcomers to our town every month.

In 2000 she partnered with George Rogato and his sons, Michael and Patrick, they created and continue to operate OregonFAST.net, a local Wireless Internet Service Provider/Telephone Company and Computer Shop based here in Florence.

A credit to our community, achieving and contributing much to the economic vitality of our town, she was also a single parent for many years. Her son Travis Virili, a graduate of SHS returned to Florence after finishing college to work full time at OregonFAST.net.

Shorewood Senior Living

Ronnie Davis has been at Shorewood for four years. I know it is said that people are not indispensable, but Ronnie could argue that. Ronnie does so much more than just his job description. He fixes broken doors, drives our Shorewood bus, paints walls, repairs broken pipes, and so much more. If someone needs a kind word, he is there. If someone needs a hug he is there. If someone needs a shoulder to lean on, yup, he is there. He loves to tease, but it is all in good fun. He never gives himself credit for all he does, so this gives us a chance to say THANK YOU RONNIE. Ronnie lives in Florence with his wife, Donna. If you see him, most likely at a hardware store or at Elks, say hi.

West Coast Real Estate Services, Inc.

I love what I do. My career in Real Estate began in 1989, the last 27 years of which I have been licensed as a Principal Broker. During this time I've had the privilege of working on a wide array of Real Estate transactions and dealing with many wonderful clients, contractors and vendors in the Florence area.

It is important to me to seek out additional education opportunities to keep up with current Real Estate trends and provide a higher level of service to my clients. For instance, most recently I earned the NAR's GREEN designation which helps me stay on top of green Real Estate issues and trends.

I have a deep respect for the goals and concerns of my clients and, because of this, have exceeded the expectations of my clients. This has made me both friends and clients "for life".

To ensure efficient & complete service for my clients I have carefully selected a team of assistants who are as enthusiastic about helping you with every aspect of your Real Estate needs, as I am. We are known for providing outstanding service and sticking with our clients till the job is done.

Beach House Gifts

I have visited Florence since 1993 and after retiring in 2014, JP & I moved to Florence. Our store was available, and the story began. We wanted to bring our own touch to a local gift store carrying a wide range of quality merchandise with reasonable prices and BEACH HOUSE GIFTS was opened. November and December, we transition into a Christmas store! We love our locals and neighbors of Florence and appreciate the support.
