Burns's Riverside Chapel/Florence Funeral Home is locally owned and operated by Alan and Karen Burns. The compassionate care that the clients receive from the family is based on their commitment to the community in which they live.

Alan served as Mayor of Florence from 1998-2005. He is a second generation Funeral Director and a graduate of San Francisco College of Mortuary Science.

Karen holds a Funeral Director license, and many women have found it comforting to have a woman to talk to during the difficult and stressful times. Karen is proud to be a member of the Florence Kiwanis Club.

Kourtney is third generation Funeral Director/Embalmer. After graduating from Mt. Hood Community College with an AA in Mortuary Sciences, she joined the family business in 2009. Kourtney is the proud mother of Clayton Kent and a house full of pets.

Randy came to the business in 2016. He is currently serving his apprenticeship and will be a licensed Funeral Director. He loves the outdoors and spending time with his daughter Lexi and fiancé Laurie.

From traditional to unconventional — military, indoor or outdoor, formal or casual — they work to ensure that all the needs are met to honor the loved ones and families that they serve.

In addition to the chapel and Pacific Sunset Cemetery, they own and operate two crematories — one for humans and one for pets. They offer products and memorabilia to honor those that have passed away and for beloved pets as well.
