

Your Organizing Answer

Inspired by her own personal experiences while helping her parents downsize to a smaller, more manageable home in 2008, Your Organizing Answer founder Deborah Moyer, quickly realized the urgent need for a wider range of organizational and down-sizing assistance service resources for seniors and their families.

Over the past 10 years, Deborah has focused her services toward relieving the intense level of stress and anxiety that many seniors experience during transition. Whether it's trying to sort through years of accumulated possessions, juggling the details and strenuous activities required to transition out of a beloved home or simply trying to provide better accessibility to their existing home to accommodate a change in lifestyle or health condition, she's there to help.

Your Organizing Answer is a fully licensed, bonded and insured business dedicated to serving the city of Florence and surrounding communities. Deborah offers a wide range of services including general home, office or garage organizing, pre-move planning, sorting and purging, mover coordination, small packing projects and 3D space planning.

For more information, call her at 541-999-7972 or go to yourorganizinganswer.com.

Chad E. Clement, D.D.S., P.C.

Experience state-of-the-art care with Chad E. Clement, D.D.S., P.C. Our team is all about providing advanced dental care that goes above and beyond when it comes to quality and comfort. Besides staying informed about the latest techniques and products in the industry, we also keep up with the most advanced pieces of dental technology.

We use digital X-rays, which significantly reduce the amount of radiation exposure while also quickly delivering enhanced images. They're better for the environment too, because they don't require developing chemicals! We also have intraoral cameras, which we use as both a diagnostic and educational tool. It's not the easiest to see into your own mouth, and the magnified images from an intraoral camera give you a close look at your own oral health.

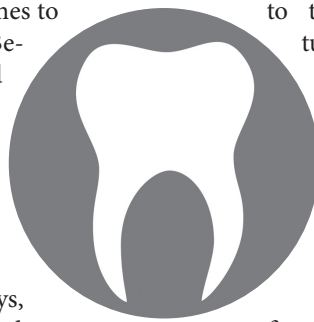

When your smile needs a little extra TLC to get back to great condition,

we want to provide care as quickly and comfortably as possible. We use the CEREC system to provide our patients with same-day crowns, compared to the normal weeks-long turnaround time. We also provide laser dentistry, which has a number of great benefits including much gentler procedures and faster recovery periods with periodontal treatment.

Patient Comfort Redefined

Lying with your mouth open while someone works on your teeth is far from the definition of comfortable, but with our Isolite™ patient comfort system, we can make it a little easier on you. The built-in bite block allows you to rest your jaw, and its light and suction features let us work more efficiently so you can spend less time in the dental chair.

To schedule an appointment, visit myflorencedds.com, stop by the office at 1256 Bay St. or call 541-997-3423.
