## EMAC now recruiting committee members

The Environmental Management Advisory Committee (EMAC) develops local strategies and advises the Florence City Council on protecting Florence's health and environment and conserving its energy and natural resources.

EMAC is responsible for regulating the solid waste code, ensuring compliance with DEQ recycling education requirements, and serving as the city's Tree Board. The committee is comprised of between 5-11 citizen members and additional ex-officio non-voting members. Florence is recruiting for applicants to fulfill vacant positions on EMAC.

EMAC generally meets once per month as a group. Persons interested should expect to attend recurring meetings and devote time for study of issues and per-

formance above and beyond meeting attendance.

Anyone interested in serving on the EMAC committee should consider applying for one of the open positions on EMAC.

The deadline for applications is Dec. 31.

Applications can be completed on the City of Florence website at [www.ci.florence.or.us](http://www.ci.florence.or.us) and are also available at Florence City Hall, 250 Highway 101, during regular business hours.

For details regarding the duties and responsibilities of EMAC, residency requirements of applicants, term lengths or any other questions, contact City Recorder/Economic Development Coordinator Kelli Weese at 541-997-3437 or email her at [kelli.weese@ci.florence.or.us](mailto:kelli.weese@ci.florence.or.us).
