

# INSIGHTS FROM THE SALVATION ARMY'S CHARITABLE GIFT PLANNER

Most of us would like to leave a legacy to show our lives have made a difference. We want to leave this world a better place. We want to know we have contributed to an important work or cause that will benefit the lives of others for generations to come. While your legacy will consist of any physical and financial assets you leave behind — money and real estate — it can be much more than that.

“Some people leave their legacies written on monuments or wall, but the most valuable legacies are those written on the lives and in the hearts of others,” says Bill Olson, Director of Giving for The Salvation Army. “Once I learn what the true desires and needs of a person or couple are, I can discuss options that may best fit their particular situation. I work with professional advisors in naming The Salvation Army in wills, trusts or as a beneficiary of an IRA or other financial resources.”

### BOYS & GIRLS CLUB OF WESTERN LANE COUNTY

Boys and Girls Club of Western Lane County is so much more than just a fun place to hang out after school.

We are a safe haven for the bullied; a place where mentors and tutors help kids understand and complete homework, and we make sure each of our kids has a hot nutritious meal before they leave.

Through nationally proven programs like SMART Girls, Passport to Manhood

and Money Matters, we help our young members understand the benefits of healthy lifestyles and attitudes.

Our staff and volunteers believe in kids and know that no one is born a failure. We are committed to helping every one of our members realize their full potential as a happy, healthy, fulfilled, productive member of our community.

With your help this holiday season, we can continue our mission to help make the world a better place one child at a time and continue to give every Club member the gift of a great future.

Please consider donating to the Boys and Girls club of Western Lane County today.

Change the world this holiday.
