John Wick: Chapter 3 – Parabellum

Saturday at 8 p.m., 12:20 a.m. on HBO
This third entry in the Keanu Reeves action thriller franchise was the most successful to date, both in terms of box-office revenue and critical praise for the screenplay and performances. The story picks up just one hour after the events of the second "Wick" film and finds the ex-hitman title character on the run for his life, pursued by legions of assassins eyeing the \$14 million contract placed on his head for his recent actions. Ian McShane, Mark Dacascos, Laurence Fishburne, Halle Berry and Anjelica Huston also star.

25th Annual Critics' Choice Awards

Sunday at 7 p.m. on KWBP
Presented by the Broadcast Film Critics Association and the Broadcast Television Journalists Association, this awards ceremony — which honors the year's best in films and TV/streaming — observes its silver anniversary. Nominees had not yet been announced as of this writing, but the group's track record is highly credible: Eventual Oscar winners Mahershala Ali (for "Green Book") and Regina King ("If Beale Street Could Talk") both were Critics' Choice Award winners in their 2018 film categories.
