OBITUARIES

BLAKESLEE—Lawrence Thomas Blakeslee, 81, of Florence, passed away peacefully Jan. 16, 2020, of natural causes at Riverbend Hospital in Springfield, Ore.

Lawrence was born on Aug. 19, 1938, to Lawrence B and Helen M. (Simmons) Blakeslee in Minneapolis Minn.

He attended an all-boys Catholic Military Academy and went on to join the U.S. Army, where he served as a combat engineer. After his service in the army, he went on to attend the Chicago Institute of Art.

After a lifetime of accomplishments, he met his love Anne Blakeslee and was married for 17 amazing years until losing her to cancer in 2018.

Lawrence's career started with the *Chicago Tribune*. He then moved on to the *St. Petersburg Times* and tried something new at the Barnett Bank as an executive director.

But, eventually, he finished up his career when he retired from the *San Luis Obispo Tribune* in 1993.

He was a 50-year member of the Elks, an active member of the American Legion and DAV, and was a former member of the San Luis Obispo Sheriff Posse.

Lawrence was a very artistic, caring man. He never met anyone he didn't like. He was a giver, volun-

teering for many community organizations.

His presence will be missed dearly.

In addition to his parents, he was predeceased by his loving wife Anne Blakeslee; former wife Betty Ann Bialac; and stepson Barry Bialac.

Surviving are his children: Stacy Bialac, Erica Bialac, Kristen Marie Jarocki, Ann Claire Blakeslee, Nathan Green and 13 grandchildren; one brother, Spencer Blakeslee; and a nephew, Steve Blakeslee.

Services will be held at Florence Christian Church, 990 Second St., in Florence on Wednesday, Jan. 29, at 10 a.m.

A reception will follow at the Disabled American Veteran Hall, 1715 21st St., in Florence.

ODFW seeks candidate to represent ocean fishing

The Oregon Department of Fish and Wildlife is seeking qualified applicants to fill a seat on the Oregon Coordinating Council on Ocean Acidification and Hypoxia.

This seat will represent ocean fishing interests. Interested individuals must apply by March 2, 2020, using the application provided on the Oregon Coordinating Council on Ocean Acidification and Hypoxia online at <https://oregonocean.info/index.php/ocean-documents/oah-hypox/1989-oah-council-fish-application-01-2020-final/file>.

The ideal candidate will be able to effectively represent Oregon's interests in ocean fishing through their participation in either recreational or commercial fisheries.

The Oregon Coordinating Council on Ocean Acidification and Hypoxia was created by the Oregon Legislature in 2017 to ensure a coordinated and effective response to the threats of ocean acidification and hypoxia to Oregon's cultural and commercial ocean resources.

The council is co-lead by the ODFW and Oregon State University and is comprised of representatives from Oregon State agencies, the Governor, the Oregon Ocean Sci-

ence Trust, Oregon Sea Grant, a conservation organization, shellfish mariculture interests, fishing interests, the academic research community and Oregon tribes. The council will review activities advancing knowledge of and adaptation to the impacts of ocean acidification and hypoxia on Oregonians and make recommendations on additional measures that Oregon should take to prepare for further future impacts. Council members will be volunteers, however, council-related expenses will be reimbursed.
