the ability to help others, we feel that we must." Past Serve Day projects for the team at Roby's in Florence have included makeovers at other faculty rooms, landscaping at Siuslaw Outreach Services and working at Florence Food Share.

"That letter came right after we had done our 2019 project at the Florence Events Center," said Sneddon "I kept her letter on my desk for months and decided that we would try to meet her request."

This year's project made the list after then-fourth-grader Zoey Utz wrote a letter to Sneddon asking him to consider the makeover.

Roby's Furniture & Appliance/The Mattress Shoppe is a family owned and operated retailer with seven locations. The company began in 1950 in Tillamook. The Florence store, formerly Western Lane Furniture, began that same year. It was purchased by Roby's in 2005.

Utz wrote about the condition of the room and how it was cramped and could not accommodate any more than just a few of the staff members who were on lunch break at any given time.

If you happened to drive by Roby's Furniture and Appliance on Jan. 22, you may have noticed the store was closed. That's because the entire Roby's team was at work giving one of the faculty lounges at Siuslaw Elementary School a makeover.

What had been a cramped and cluttered space was cleared out, decluttered and given a fresh and bright coat of paint. Then new furniture: an expandable dining table with six new chairs; a loveseat and easy chair, and two new end tables were brought in to leave a cozier and much more comfortable space.

Each year on one day in January, all seven Roby's

locations close and the staff fans out in their own communities to work on a service project.

"We call it Serve Day," said Florence store manager Bob Sneddon.

The concept began when the company's third generation ownership team was attending college at George Fox 25 years ago. The school encouraged every student to spend at least one day a year in service to others. That concept was implemented at Roby's 10 years ago and has been an annual fixture ever since.

"We consider it a privilege and an obligation to be able to help others," said Sneddon, "Our philosophy is that if we have
