## Flowers to give at Easter

Lilies represents hope, love, divinity and purity and indicate gratitude of friendship. Daffodils are one of the first signs of spring. They can have a romantic connotation. In Germany, daffodils are known as Easter bells. Tulips are another early sign of spring and the rebirth of the season after winter. They are often given to indicate feelings of love. Daisies are considered cheerful. They are available in red, yellow, pink and purple. Hyacinths have incredible fragrance and delicate blossoms. — B. Weaver

## MEET KONA

Kona is a very playful senior dog (10 1/2 years) looking for her forever home. She loves to play ball and will lounge in the pool all day if you let her. She would do best in a home with older children only because of her size and needs to be the only fur baby in the home since she doesn't seem to get along with other dogs or cats.

## WE NEED A HOME....
