SVFR seeks Civil Service Commission member

The Siuslaw Valley Fire and Rescue (SVFR) Board of Directors is inviting applications from residents interested in serving on the SVFR's Civil Service Commission.

Interested persons should obtain an application from the SVFR station, 2625 Highway 101, or from the SVFR website at www.svfr.org.

Applications will be accepted until noon on Friday, March 20. After the review of applications, the SVFR Board will appoint members at its March 26 board meeting. Applicants must be registered voters residing within the SVFR district.

The Civil Service Commission is a standing committee of three members who oversee and confirm that all district hiring, promotion, and disciplinary processes are being conducted in accordance with the district's civil service rules.

Commission members serve three-year terms which expire Dec. 31.

For more information, contact Dina McClure at 541-997-3212.

Lane County Public Health issues COVID-19 update

Issued March 10 — TESTING UPDATE:
• Lane County has had no positive COVID-19 tests as of 8 a.m. on March 10.
DAILY KEY MESSAGES:

• Is Lane County planning to declare an emergency?

Yes, if it becomes necessary. Over this last weekend, the Governor's Office declared a state of emergency. This opens up a funding stream for resources and assistance through Oregon Health Authority, which is leading the response efforts with Oregon Emergency Management.

We have prepared declaration documentation so that we can move quickly if we start seeing cases locally or the disease spread changes.

• Can Lane County Public Health provide a work release letter for me or my employees?

No. If you are an official Person Under Monitoring (PUM) for the COVID-19 investigation, Lane County Public Health can work with your employer to clear you to return to work.

For all other individuals, Lane County Public Health cannot provide clearance for return to work. Please contact your medical provider.

Only your medical provider can order testing for COVID-19.

• Should people avoid large gatherings or public spaces?

Currently, Lane County Public Health is not advising community members to avoid large gatherings or public places. We are currently asking people to use the same caution they would use during flu season when it comes to public spaces.

Individuals with a condition that affects their lungs or breathing (like asthma or COPD) or individuals who are 65+ should always exercise caution regarding large gatherings this time of year.

PREVENTION INFORMATION:

We recommend all residents take everyday precautions to prevent the spread of many respiratory illnesses, including COVID-19 and influenza:

• Cover your coughs and sneezes with a tissue and then throw the tissue in the trash.

• Wash your hands often with soap and water for at least 20 seconds. If soap and water are not readily available, use an alcohol-based hand sanitizer that contains at least 60 percent alcohol.

• Avoid close contact with people who are sick.
• Avoid touching your eyes, nose and mouth with unwashed hands.
• Clean and disinfect surfaces that are often touched.

• Take care of your health overall. Staying current on your vaccinations (including the flu vaccine), eating well and exercising all help

your body stay resilient.
• Consult CDC's travel website for any travel advisories and steps to protect yourself if you plan to travel outside of the U.S.
