A Message from the Chamber President

"Your chamber is dedicated and focused on helping businesses in the community develop, grow and succeed. We're bringing the tools, people and connections needed to help your business succeed. We're a strong, passionate and loving community and together I know we can keep it going stronger."

– Neil Ecker, Board President of the Florence Area Chamber of Commerce

Being a member of the Florence Area Chamber of Commerce has many benefits to help your business succeed. Hi, I'm Neil Ecker, Florence Area Chamber of Commerce business member and president.

Upon joining the chamber, you will get access to a network of first-class business individuals and resources to help your business prosper. Our website has thousands of unique visitors per month that help direct customers to you. In addition, our Visitors Center staff providing referrals from the hun-

dreds of daily phone calls and walk-in visitors.

One of my favorite benefits is the networking you get. Membership meetings, business mixers, special events and new member receptions provide excellent opportunities to network with other Chamber businesses. The connections you make are an invaluable asset.

Our newly formed Legislative Committee is set to be a voice for business in our area.

As a business owner, it can be overwhelming to try and juggle working

and managing all the legislative impacts looming that could affect your business. Your Chamber helps by communicating the important pieces, listening to you, and being your voice.

Some other benefits include access to a wealth of information from our partner resources, business validation and credibility, ribbon cutting and Business After Hours, business promotion during our many events throughout the year and many more.

Serving on one of the many Chamber Committees is also a great way to make

new contacts and provides a rewarding experience while helping local businesses and the community.

Your Chamber is dedicated and focused on helping businesses in the community develop, grow and succeed. We're bringing the tools, people and connections needed to help *your* business succeed.

We're a strong, passionate and loving community and together I know we can keep it going stronger.

Thank you,

— Neil Ecker
