Florence Area Chamber of Commerce's purpose

The mission of the Florence Area Chamber of Commerce is to develop members and promote Florence.

The Florence Chamber offers its membership various networking opportunities with peers, government officials and business leaders.

Members receive timely, relevant information so that they may be kept informed; professional development workshops and seminars so that they may gain valuable knowledge and skills to help them succeed; and policy and communications ex-

pertise to assist them in advocating their positions and business interests.

Businesses, organizations and individuals benefit from valuable opportunities as members of the Florence Area Chamber.

A study by the U.S. Chamber of Commerce lists five key reasons why people should join a local chamber: validation and credibility, networking opportunities, access to information, government advocacy and purchasing benefits.

We have been members of the Florence Area Chamber of Commerce for four years now, and they have been incredibly supportive of our local business. Not only do they recommend our services, some have become our personal clients. They are always kind and make a point to make sure our business is successful. Thank you to everyone at the Chamber for supporting Dirty Dog Grooming!
