Testimonies about the Chamber

The Chicken Coop would like to thank the Chamber for keeping us informed about COVID-19 and how we can stay involved with our community.

— *Ellen Henson, The Chicken Coop*

The Florence Area Chamber of Commerce and Director Bettina Hannigan have been great partners for us at Oregon RAIN. We really appreciate all you do to contribute to the area's entrepreneurial ecosystem.

Bettina understands how to be a great partner and we are proud to serve entrepreneurs and small businesses in the Florence area alongside you. Together we create a stronger network of support for Florence businesses.

— *Ariel Ruben, Oregon RAIN (Regional Accelerator and Innovation Network)*

From time to time a person asks our Chamber of Commerce staff a question concerning something that we can do to help. They always share our number and business with the people and we do our very best to help. It is a nice feeling to help someone and we appreciate it.

— *Alan A. Burns, Burns's Riverside Chapel*

The Florence Chamber sent us new guests for a stay at Lauren's Place.

— *Lauren Hesse, Lauren's Place BnB*

Our collaboration with the Florence Chamber has been the key component, in serving coastal communities while deploying emergency capital during the COVID-19 crisis. We can't thank them enough and we look forward to building a strong alliance as we move forward.

— *Lynn Meyer, Director of Community Lending, Community Lending Works*
