OHA announces new mask requirements website

Face coverings, or masks, are now required statewide for all adults and, starting July 24, for all children age 5 and up in all indoor public spaces and outdoors when physical distancing isn't possible.

To help Oregonians understand the requirement, the Oregon Health Authority has created a website resource that aims to be a clearinghouse of the latest information about face coverings and masks, from requirements to FAQs to

tips about how to effectively wear them.

Controlling the spread of COVID-19 in Oregon requires all of us to do our part. Emerging evidence shows that wearing a mask help can help protect against the spread and catching of COVID-19.

The virus is spread by respiratory droplets when people cough, sneeze, talk, laugh or sing.

Face coverings help contain those droplets.

The virus can be

spread by people who do not have symptoms and likely don't know they are infected.

When properly worn, a face covering should cover a person's nose and mouth and fit snugly against the sides of the face. Many types of face coverings can be used, including handmade cloth face coverings, scarves, bandanas and more.

They should be washed frequently after using.

COVID 19 is wide-spread in the state. All

Oregonians can work together to flatten the curve and lower our risk of getting it or giving it to others by:

- Covering our faces when six feet of physical distancing is not possible;
- Avoiding large crowds and limit our social gatherings;
- Washing our hands;
- Staying home if we're sick.

COVID-19 STATS

Lane County COVID-19 counts

Oregon Health Authority (OHA) —
(As of July 23, at Noon)

Lane County has 419 cases* (+7), 42 cases that are currently infectious (-4), and 3 suspected COVID-19 deaths as of 8 a.m on July 23. Two people are currently hospitalized. At least 35,526 tests have been conducted for Lane County residents**.

*Per Oregon Health Authority guidelines, health agencies on Oregon are now combining confirmed and presumptive

cases in their reporting. Presumptive cases are people who had 15 minutes or more exposure within 6 feet to a known case and are displaying symptoms consistent with COVID-19, but who do not yet have lab confirmation. The definition of infectious is cases that are 10 days or fewer from symptom onset.

**Note: this number is likely below the actual number of tests conducted. Private labs are processing tests from Lane County residents and there is variability in reporting of negative results.

Lane County Public Health is being notified of any positive test results

Shoes for those in Need

Men's Shoes are of great need at Siuslaw Outreach Services.

This July The Siuslaw News is having a shoe drive to help those in need in our community. Please help someone get on their feet by donating new or gently used and clean shoes, specifically men's size 10 and up. You may drop off your donated items at The Siuslaw News 148 Maple St. in Historic Old Town Florence

Donations accepted until July 31st.

Other items needed for fall: Tarps, heavy blankets, socks, pocket ponchos, monetary donations for operations.

THERE IS NO "FREE LUNCH"

Advice from a Funeral Director... It's always good to listen, but before you sign up for cremation or burial arrangements with an out of town advertiser representing themselves as your "local experts", always do your research.

Ask these important questions:

- Are they really "local" with staff and facilities in your community?
- Are they really saving you money by signing up with them?
- Are they going to refund 100% of your money if you change your mind?

Our conveniently located office is locally owned and staffed by our neighbors, people right here in your community. We care about our community and offer simple and economical pre-arranged cremation and burial plans for over 32 years. Do your homework, support local and save money.

WE GUARANTEE THAT OUR PRE-ARRANGED CREMATION OR BURIAL TRUST PLANS WILL BE LESS EXPENSIVE AND 100% REFUNDABLE SHOULD YOU MOVE OR CHANGE YOUR MIND.
