

On The Record

OBITUARIES

CLASPILL—Lois June (Love) Claspill passed away Aug. 2, 2020.

Lois was born June 22, 1941 in Everett, Wash. She spent her earliest years with her family in Skykomish, Wash.

Lois Claspill

The Love family — Rudy and Ida Love, and children Beverly, David and Lois — moved to Mapleton, Ore., in 1951.

Lois graduated from Mapleton High School in 1959. When she was working at Lane County Bank, Lois met her future husband, Roger Paul Claspill. They were married on Oct. 5, 1963, and settled in Florence, Ore.

In 1965 their son Roger Jr.

was born, and in 1968 their daughter Trudy was born.

Lois worked at several Florence-area businesses, including banks and grocery stores, but her favorite job was working at the Florence Area Humane Society until her retirement, where she fulfilled her lifelong love for animals.

Lois loved camping with her husband in their motor home, which they did with a local travel group.

Lois is survived by her husband, Roger, her children Roger Jr. and Trudy, and her brother David Love.

For health and safety reasons, no celebration of life is being scheduled at this time.

In lieu of flowers, please consider making a donation to a local animal rescue organization such as the Oregon Coast Humane Society.

Burns's Riverside Chapel Florence Funeral Home was

in charge of arrangements. **KELLIS**—Mary Kellis of Florence passed away July 20, 2020.

She was born on March 13, 1921, in Silverton, Ore. She graduated from Klamath Union High School, in Klamath Falls, Ore.

Mary served in the US Coast Guard from 1944 to 1946.

She received a bachelor's degree in international rela-

tions from USC and masters in linguistics from American University. She worked for the US State Department in the Information Services branch of the Foreign Service. She retired from the United Nations Library, where she worked as a librarian in the information services department.

Burns's Riverside Chapel Florence Funeral Home was in charge of arrangements.

School registration happening this week for both school districts

MAPLETON—Registration for all Mapleton students will take place from Tuesday, Aug. 11, through Thursday, Aug. 13.

Families have been assigned a time to register on campus and in person.

Letters have been mailed out with the date/time.

For questions, contact Mapleton Elementary Secretary Carly Duval at 541-268-4471.

For more information, visit mapleton.k12.or.us.

SIUSLAW—All Siuslaw schools are holding registrations events from Tuesday, Aug. 11, to Thursday, Aug. 13. This event is for all students enrolling in hybrid or Comprehensive Distance Models.

Registration times are:

- Tuesday, Aug. 11: 9 a.m. to 3 p.m.
- Wednesday, Aug. 12: noon to 6 p.m.
- Thursday, Aug. 13: 9 a.m. to 3 p.m.

Families are asked report to each child's school in order to register.

Siuslaw Elementary School is at 2221 Oak St., Siuslaw Middle School is at 2525 Oak St. and Siuslaw High School is at 2975 Oak St.

"This information is vital to our efforts to create classes and plan for various reopening models," the school district stated.

In order to maintain safe procedures and social distance, packets will be distributed and completed with no need to enter the school.

For more information, visit siuslaw.k12.or.us.

Public fire restrictions now in effect in Siuslaw National Forest

CORVALLIS—Even with the recent moisture, the trend of increasingly hot and dry weather has resulted in hazardous fire conditions on the Siuslaw National Forest.

In an effort to prevent human-caused wildland fires and to promote fire awareness, US Forest Service officials have instituted some public use fire restrictions across all areas of the Siuslaw National Forest.

Prohibitions include:

- Campfires not contained within a pre-installed fire enclosure at an official developed campsite. This excludes campfires within designated sand camping areas on the Oregon Dunes National Recreation Area and dispersed camping within the Sand Lake Recreation Area.
- Welding or operating a torch with an open flame.
- Operating generators in areas of vegetation.

- Using a vehicle off US Forest Service roads, except when parking in an area devoid of vegetation for 10 feet. This excludes recreation on the Oregon Dunes National Recreation Area and the Sand Lake Recreation Area.
- Smoking outdoors in close proximity to flammable materials or vegetation.

Visitors may use portable cooking stoves and fuel lanterns with off switches when recreating outside of

developed camping areas.

Fires in permitted areas should always be attended.

Before leaving an area, be sure all fires are completely extinguished and the remaining debris is cool to the touch.

Public use restrictions are described in detail in Forest Order 06-12-00-20-08 and will be in effect until the order is rescinded or Dec. 1, 2020.

For more information, go to www.fs.usda.gov.

COVID-19 Relief available for Oregon fishing businesses

SALEM—Oregon's application period for potential assistance for COVID-19 impacts to fishing-related businesses is now open and extends through Sept. 8, 2020.

Background information, eligibility requirements and application materials can be found on the Pacific States Marine Fisheries Commission (PSMFC) website www.psmfc.org.

All applications must be completed, signed and mailed to the PSMFC with a postmark no later than the Sept. 8, 2020 deadline.

Fishing businesses are a vital part of Oregon's economic and cultural health, and impacts from the COVID-19 pandemic have taken a serious toll on these businesses and the communities they support.

"Marine and anadromous fisheries are vital to the economic and cultural health of the state. We know businesses on the front lines of

these fisheries are hurting, and we hope these federal and state funds will help provide emergency relief for some of the pandemic's impacts this past spring. We encourage all eligible fishery businesses to apply," says Ed Bowles, ODFW Fish Division Administrator.

Consistent with Section 12005 of the federal CARES Act, NOAA Fisheries allocated nearly \$16M to eligible Oregon businesses participating in marine and/or anadromous fisheries. ODFW developed a spend plan for eligibility and claim requirements consistent with the CARES Act after extensive input from the fishing industry. NOAA recently approved the Spend Plan, which allows the application period to begin.

In recognition by coastal legislators and other state leaders that these federal funds would be unlikely to address all of the COVID-19 impacts to Or-

egon's fisheries industry, an additional \$2.5 million of state CARES Act relief funds were distributed by the Oregon Department of Administrative Services to PSMFC for support.

PSMFC will distribute the funds as supplemental payments to recipients of the federal CARES Act funds.

PSMFC disbursements could begin in September 2020.
