Yachats River Valley Farm Tour to celebrate 10th year

The annual tour of the farms and ranches along the Yachats River Road will take place this year on Saturday, Aug. 15, from 10 a.m. to 4 p.m., featuring locally grown fruits, vegetables, grass-fed beef, baked goods, jams, refreshments and, in one instance, live music.

Seven farms will make up the roster this year, each featuring a different attraction, most with local produce or beef for sale. Because of the pandemic, visitors must wear masks and observe social distancing protocols.

The first two farms, Seeds of Oregon and K&R Beef, near milepost one, will offer vegetables, plants, grass-fed beef and eggs for sale.

Next is Forks Farm at the T-intersection near milepost seven, offering organic fruits, blueberries, cut flowers, jams, and produce. They are florists and accept orders for floral arrangements suitable for weddings and other celebrations. Turn right at the intersec-

Bahá'ís host **Indigenous Peoples Day Zoom meeting**

On Saturday, Aug. 8, at 2:30 p.m. on Zoom, the Bahá'ís of Florence will host a devotional to share prayers and music in honor of Indigenous Peoples Day.

The United Nations established Indigenous Peoples Day in 1994 to be observed annually in August. This year is particularly difficult for Indigenous Peoples around the world due to the COVID-19 pandemic. Lack of healthcare services, including clean water, soap, disinfectants and PPE's, fewer material resources, and close living conditions pose a much higher risk of contagion and death in these populations worldwide.

The oneness of humanity and unity in diversity are fundamental principles of the Baha'i Faith whose teachings encourage us to see all people as the flowers of one garden, the leaves of one tree, and the waves of one sea.

In addition, a weekly Monday noon Zoom devotional is held in honor of Navajo and other Native Americans nations affected by COVID-19.

Anyone who would like to join either of the devotionals in compassionate action can call 541-590-0779 to get the Zoom information.
