COUNTY, STATE COVID STATS

(LCPH) was notified of at least 77 additional positive cases of COVID-19 since noon on Feb. 5.

This makes a total of 9,429 cases as of Jan. Feb. 4 at noon.

- Hospitalized: 21 (-1)
- ICU: 4 (of the 21)
- Deaths: 114 (+0)
- Infectious: 315 (+14)
- Persons being monitored: 520
- Current Vaccination 1st Dose Administration: 27,983

This includes historic negative labs.

Data regarding Lane County testing, patient status, case ZIP codes and more is available at www.LaneCountyOR.gov/localdata.

In the **97439** ZIP code, there are currently **151** active cases as of Feb. 5.

The State of Oregon has created a COVID-19 web page with resources at www.coronavirus.oregon.gov.

Oregon Health Authority

Vaccinations in Oregon

Feb. 5, OHA reported that 15,173 new doses of COVID-19 vaccinations were added to the state immunization registry.

Of this total, 11,519 doses were administered on Feb. 3 and 3,654 were administered on previous days but were entered into the vaccine registry on Feb. 3.

Cumulative daily totals can take several days to finalize because providers have 72 hours to report doses administered and technical challenges have caused many providers to lag in their reporting.

OHA has been providing technical support to vaccination sites to improve the timeliness of their data entry into the state's ALERT Immunization Information System (IIS).

Oregon has now administered a cumulative total of 486,861 first and second doses of COVID-19 vaccines. To date, 706,575 doses of vaccine have been delivered to sites across Oregon.

COVID-19 hospitalizations

The number of hospitalized patients with COVID-19 across Oregon is 261, which is five fewer than yesterday (Feb. 4). There are 58 COVID-19 patients in intensive care unit (ICU) beds, which is five fewer than Feb. 4.

The total number of patients in hospital beds may fluctuate between report times. The numbers do not reflect admissions per day, nor the length of hospital stay.

Staffing limitations are not captured in this data and may further limit bed capacity.

To our valued readers:

Help small businesses affected by coronavirus right now, including ours.

Businesses of all sizes have been hit hard in this challenging new age of social distancing and self-isolation, but the blow has been catastrophic for small operations that rely on in-person transactions. There are many ways to help this holiday season, like purchasing gift certificates or memberships, and yet there are many service-type businesses that don't have that option.

As we look to a new year, we're celebrating what connects us as a community, and what we can do to support our local businesses!

SUPPORT LOCAL TOGETHER

THAT'S WHY WE CREATED THE SUPPORT LOCAL TOGETHER CAMPAIGN.
The Support Local Together campaign will help local businesses who have to choose between promoting their business and paying the electric bill. It will also help support the *Siuslaw News*, who has seen a strong decrease in advertising revenue, but an increase in readership.

IT DOES TWO THINGS.

1. Funds advertising dollars for local businesses
Your financial support will go directly to fund advertising that our local businesses need to stay top of mind.

2. Supports local journalism
By becoming a supporting member, you are helping to replace some of the advertising revenue the *Siuslaw News* has lost over the past ten months, due to the pandemic.

HERE IS HOW TO SUPPORT:

- **Call 541-902-3524**
- Make a donation of your choosing.
- Choose a specific local business that you would like the advertising credit to go to, or leave that blank and we will designate it to a business we know needs help.

Our community is small but generous and we recognize there are many great organizations, like ours, that could use your help.

We believe the vast majority of our readers have always shared our view of the value and necessity of a strong local media and are willing to provide support equal to two or three cups of coffee a month to secure its future.

Thank you in advance for doing your share to secure a strong local economy in the community we are proud to serve.
