Library board to hold special meeting Thursday

A special meeting of the Siuslaw Public Library District Board of Directors will be held at 9:30 a.m. on Thursday, March 25.

The board will be considering a corporate resolution to authorize library staff person(s) to access a transitional retirement account and receive donated estate funds.

This meeting will include remote participation by board members as outlined in Governor Kate Brown's Executive Order 20-16.

The public is invited and encouraged to attend re-

motely by phone or online, and can submit questions and public comments via email prior to 5 p.m. tonight (March 24) at ref@siuslawlibrary.org.

Basic information about this attendance option is available on the agenda.

Anyone in need of instruction in this attendance method can also contact Library Director Meg Spencer directly at meg@siuslawlibrary.org or by calling 541-997-3132.

A complete agenda for this meeting is available online at www.siuslawlibrary.org.

Siuslaw Watershed Council meets next week

The Siuslaw Watershed Council (SWC) is hosting a Virtual Watershed Community Meeting on Wednesday, March 31, from 5:30 to 7:30 p.m. on the video meeting application Zoom.

The meeting will also feature a presentation on lamprey eels.

Lamprey are fish that live in most Siuslaw streams and rivers, yet many of people may never have seen one.

Though not highly visible today, lamprey have played an important ecological role in rivers and streams for millions of years, and an important cultural one in the Pacific Northwest and the Siuslaw for millennia.

Join the SWC in its Zoom-based meeting, where the council will welcome a panel of guest

speakers and a film, all bringing a wealth of knowledge about lamprey's long history, as well as work currently being done to support lamprey recovery.

The evening's speakers will include Ralph Lampman, Pacific Lamprey Project Biologist, Yakama Nation Fisheries; John Schaefer, Tribal Biologist, Confederated Tribes of the Coos, Lower Umpqua and Siuslaw Indians; and Paul Burns, Fisheries Biologist, Siuslaw National Forest.

Register in advance for the meeting at www.zoom.us/join/register/tJlvcOyrrz0rE9LTzXGafW7B4vEiWPSQMwUf.

After registering, people will receive a confirmation email containing information about joining the meeting.

Yard Debris Disposal Days set for each month through October

The City of Florence's Yard Debris Disposal Day returns again in March and will take place through October as weather permits.

Bring your yard debris to the Kingwood entrance of the Florence Municipal Airport, Kingwood and 27th streets, from 9 a.m. to 2 p.m. on collection days.

Collection days will be the third Saturday of each month, with the exception of May when Yard Debris Collection Day is moved to May.

Disposal costs are \$11 for a standard pickup truck load or small utility trailer (single axle) or less; \$16 for a medium utility trailer (10-12 feet in length); and \$21 for a large utility trailer (12-18 feet).

Over 20 cubic yards is \$21 plus \$5 for each additional cubic yard.

Please bring cash for payment.

Scotch broom cannot be accepted after the June collection date due to the possible spread of seeds during

transport to the disposal site.

This collection is for tree clippings, leaves, grass clippings, weeds, prunings, brush, etc.

People are asked to not bring food and household waste, animal waste, plastics, construction debris, hazardous waste, etc.

2021 Collection Dates are generally the third Saturday of every month: March 20, April 24, May 8, June 19, July 17, Aug. 21, Sept. 18 and Oct. 16
