### ODFW REGIONAL FISHING REPORT

www.dfw.state.or.us/RR

**MID-COAST LAKES:**  
Mid-coast lakes are full of trout and the fishing has been good. Many of the lakes have been stocked twice now and several others received stockings in mid-March. Here is a list of the lakes that have been stocked so far this year: Thissel Pond, Cleawox, Munsel, Mercer, Alder, Dune, Buck, Lost, Carter, Devils, Woahink, Elbow, Siltcoos, Eckman, and Big Creek Reservoirs #1 and #2. All of these lakes are scheduled to receive more trout stockings in April as well.

**SIUSLAW RIVER:** Winter steelhead

Winter steelhead fishing continues to be slow on the Siuslaw and is slowing down for the season which closed March 31. Trout fishing in streams opens on May 22. Hatchery fish are also planted in Lake Creek and are released into Green Creek. These returning hatchery fish will start to show up in December and peak in January and February. Lake Creek closed to all fishing on March 31 and will open on May 22 for trout fishing.

It will be around \$579,000 and should be ready in about 6 months.
