Siuslaw on track to win district, state titles

On Friday (May 7), Siuslaw's track team traveled to Cottage Grove for the Wally Ciochetti Invitational meet. Out of the nine teams that competed, Siuslaw's boys team came in second place overall with 133

points, and the girls came in fourth with 70 points. Both teams are on track to have athletes compete in this weekend's district finals, as well as next week's state finals.

On the boys' side, the field events went quite well.

"The pole vaulters had a great day, Camp Lacouture and Kyle

Hughes specifically. We have been working so hard, and the pole vault is so technical; it takes so much time to figure it all out," according to Athletic Director and coach Chris Johnson. "We've been battling every day and we needed a day like Friday where Camp jumped 13 feet, which puts him on the top 10

list, number 10 all-time, and Kyle jumped a 12-6.

"Our league is really loaded in that event, so they're going to probably have to either make the top two or hit the automatic qualifying mark, which is 13-4. So, that's sort of on our radar

Lady Viks sunk by Pirates in doubleheader

BY ZEAHNA YOUNG
SIUSLAW NEWS

On Friday (May 7), Siuslaw's softball team traveled to Marshfield for a doubleheader. While the team continues to improve at the plate and on defense, they were unable to defeat the Pirates, losing both games 14-5 and 12-2.

In game one, the Lady Viks started at the plate aggressively and, after two quick outs, Bailey Overton hit a double to get things going.

Liz Garcia-Galvan was then hit by a pitch (HBP) to advance to first base, bringing Kya Blake up to bat. Blake hit a single but made it to second after an error by the Pirates, picking up an RBI along the way by sending Overton home to score. Marshfield then struck out the Vikings' final batter, Brynlee Manues, ending their at-bat 1-0.

The Pirates set out to take control offensively straightaway and, after having their first batter walk, hit two doubles for RBIs. The next batter was tagged out at first by Blake from on an assist by Overton at short stop — but not before landing another RBI for the Pirates.

Marshfield then hit two more doubles for RBIs and had a batter walk before the Viks' next put out — which again came at first base, this time from an assist pass by Meika Shap-

pell at third base. The next two batters hit singles, the first bringing in 2 RBIs, before the Pirates picked up their final out at third base from Shappell, ending the inning 1-6 in Marshfield's favor.

In the top of the second inning, the Vikings came out determined to swing, but were put out quickly with a caught pop fly, a tag-out at first and another strikeout for the Pirates.

Siuslaw swept by Pirates

On Friday (May 7), Siuslaw's baseball team faced off against the Marshfield Pirates away for a doubleheader. Both games were very close, but the Pirates were able to come out ahead in each match, with the final scores at 4-9 and 5-7 in favor of Marshfield.

Although they faced a 5-run loss in game one, the Vikings shook it off and were ready to rock in game two. First at bat, Elijah Blankenship was hit by a

pitch (HBP), but used it to his advantage, stealing second base as Jason Garcia took the plate.

Garcia hit a double, and on the next play, Blankenship went home for the Vikings' first run of the game. Two other batters were HBP that inning, but between a strikeout and two caught pop flies, the Pirates came to the plate with the Vikings in the lead, 1-0.

With Marshfield at bat, Isaac Garza struck out their first batter, but then the Pirates followed

SIUSLAW RIVER: Winter steelhead

Winter steelhead fishing continues to be slow on the Siuslaw and is slowing down for the season which closed March 31. Trout fishing in streams opens on May 22. Hatchery fish are also planted in Lake Creek and are released into Green Creek. These returning hatchery fish will start to show up in December and peak in January and February. Lake Creek closed to all fishing March 31 and will open on May 22 for trout fishing.

Winter steelhead fishing continues to be slow on the Alsea. The recent rain improved the conditions and the fishing picked up a bit. Overall, it continues to be slow and the run is winding down for the year.

Hello Florence. I hope you all enjoyed the weekend and had a wonderful Mother's Day. Town was quite busy and I think that's the way it will continue into a very busy summer. On a real estate note, we had 18 new listings. 13 were residential and 5 were lots. Pending sales in a weeks time were 26 of which 5 were lots. Solds for a week were 17 of which 5 were lots. As you can see the pace is still brisk. There is a shortage of listings and it is not just Florence, it's all over the US. **If you need help buying or selling, come see me.**
