OBITUARIES

COMPTON—Everett “Marty” Compton, 85, of Peyton Colo., passed away May 8, 2021 in Peyton.

He was born Jan. 23, 1936 to Everett Carl and Harriett Elaine (Roller) Compton in Shenandoah, Iowa.

Marty went to Shenandoah High School and graduated in 1955.

In 1963, he married Doris C. Carlow from South Dakota and they moved to Colorado Springs, Colo.

He worked as a iron worker for Iron Workers of Colorado, retiring after over 30 years in the field. Some of his jobs he worked on was the Air Force Academy Chapel, Norad, Holly Sugar Building, and others.

After moving to Florence, Ore., in 1989, he started a new venture for the next 25 years building fishing boats for Fred

Wahl Marine in Reed-sport, Ore.

Marty enjoyed working and would have continued on if his health would have

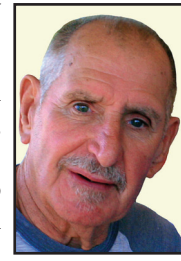

let him. He enjoyed fishing, reading and anything to do with horses, but his favorite was spending time with his family.

He was preceded in death by his son Ronald Compton; father, Everett Carl Compton; mother, Harriett Elaine Roller; brother, Ronald James Compton; and sister, Connie Foreman.

Marty is survived by his wife, Doris Compton of Peyton, Colo.; son, Scott Compton; siblings, Donna Jeffers, Grace Carey, Sharon Schmidt; and five grandchildren.

The family wishes to extend their gratitude to Abode Hospice and The Springs Funeral Services.

Celebration of Life will be held at a later date.

Everett Compton

Deadline approaching for return of May Election ballot

Lane County Elections recommended that voters who did not mail back their voted ballots to the Elections Office by Wednesday, May 12, should return their ballots to one of the many official ballot drop sites available.

Postage is no longer required.

A list of available drop sites is available online and enclosed with the voting material.

In Florence, the ballot drop-off box is located at the Florence Justice Center, located off of Ninth Street.

To be counted, all voted ballots must be received at the Elections Office or in

an official drop site by 8 p.m. on Election Day, Tuesday, May 18.

Postmarks do not qualify ballots.

“Please call our office if you have any questions prior to casting your vote,” said Lane County Clerk Cheryl Betschart. “We want to make sure all registered voters can have their votes counted.”

Each voter must sign the ballot return identification envelope that lists the voter’s printed name and address.

Sign the ballot envelope in the same manner as your most current voter registration card.

Due to COVID-19, the Lane County Elections Office will be open to the public only on Friday, May 14; Monday, May 17; and Tuesday, May 18.

Check the web page at www.lanecountyor.gov for additional updates concerning office hours.

When open, visitors will be required to observe physical distancing guidelines; masks are required.

The Elections Office has a small quantity of masks available for visitors that do not have their own.

On all other dates, the Lane County Elections Office is closed to walk-ins.

CORRECTION

In an advertisement that ran Saturday, May 1, it was stated that Cebtral Coast Disposal accepted composting for curbside pick-up.

While Central Coast Disposal supports home composting, it does not accept composting for curbside pick-up.

Help shape the future of the Port of Siuslaw!

The Port of Siuslaw is in the process of updating its Strategic Business Plan and has partnered with the Lane Council of Governments to help engage local businesses, community members, and other stakeholders. As part of this process, the Port of Siuslaw is asking for input from community members and stakeholders like you.

The survey will assist the Port in identifying what the Port is doing well, what the Port could improve on, what kinds of projects and activities you think the Port should pursue, and how you currently interact and engage with the Port. Your feedback will help guide the development of the Port of Siuslaw’s Strategic Business Plan and shape Port activities in the future.

We want to hear from you!

Tell us what you think by scanning the QR code:

You can also take the survey on the Port’s home webpage:
