Fred Meyer home of new bulk bottle, can redemption site

On Friday, Oregon BottleDrop and Florence Fred Meyer hosted the grand opening of the first bulk bottle and can redemption location in Florence with a ribbon-cutting event that included Rep. Boomer Wright.

This new BottleDrop network drop location will allow areas residents to participate in the very popular Green Bag program and will open up new fundraising opportunities for local non-profits through the Blue Bag program. The BottleDrop network drop location will make it fast and easy for Central Coast residents to return, redeem and recycle redeemable beverage containers in special 13-gallon

BottleDrop Green Bags, which can be purchased at the Florence Fred Meyer store.

Customers can also sign up for a BottleDrop account at the store kiosk, and print bag tag labels with QR codes linking the bags to their accounts.

Then they simply tag their bags, fill them with empty Oregon 10-cent refund containers, and drop them off at the new BottleDrop network drop location. Their containers are counted and credited to their accounts within seven days.

BottleDrop is operated by the Oregon Beverage Recycling Cooperative (OBRC), which introduced the Green Bag program in 2010.

Flying solo over Florence

COURTESY PHOTOS SUBMITTED BY TERRY TOMENY

Friday morning (May 21) was mostly clear skies over Florence, and part of those skies included AJ Shervin of Shervin's Automotive executing his first solo flight. His solo came after only 4.2 hours of training. His wife and sons were there to watch and congratulate Shervin on his achievement, which included the time-honored tradition of cutting off his shirttail (right).

Help shape the future of the Port of Siuslaw!

The Port of Siuslaw is in the process of updating its Strategic Business Plan and has partnered with the Lane Council of Governments to help engage local businesses, community members, and other stakeholders. As part of this process, the Port of Siuslaw is asking for input from community members and stakeholders like you.

The survey will assist the Port in identifying what the Port is doing well, what the Port could improve on, what kinds of projects and activities you think the Port should pursue, and how you currently interact and engage with the Port. Your feedback will help guide the development of the Port of Siuslaw's Strategic Business Plan and shape Port activities in the future.

We want to hear from you!

Tell us what you think by scanning the QR code:

You can also take the survey on the Port's home webpage:

Backstreet Gallery welcomes new artists Teresa Zook

Backstreet Gallery welcomes textile artist Teresa Zook.

It's never too late for your creativity to blossom. Working with an international law firm, Teresa took the opportunity when offered a job transfer from San Francisco to West Virginia to discover "...my inner creative force that was waiting to be released."

At first, she concentrated on college. When she retired and moved to Oregon, she began working with hand-built ceramics and then took a weaving class. She was hooked.

Influenced by visual stimuli — textures, colors, and everything in nature — her textiles result from

Health is our #1 Priority!

At Shervin's we are taking extra precaution in order to ensure that our customers and staff are kept safe and healthy during this quickly changing situation.

1 Car Sanitation - All cars are wiped down with a sanitizer before and after the service. We wipe down any areas in the interior where employees have touched, such as door handles, the steering wheel, keys, shifters and power window panels.

2 Hand Sanitation - Our staff will continue to wash their hands throughout the day and change gloves after each car they service.

3 Give Customers Options - We will pick up and deliver your vehicle to your home. You may also drop your key in our secure mailbox for drop-offs to avoid or minimize contact.

4 Employee Illness is Serious - We are encouraging employees not to shake hands. We are practicing "personal distancing" and encouraging employees to stay home if they feel under the weather.

5 Wipe Down High Touch Points - We wipe/spray counters, credit card machines, door handles, phone handles, kitchen areas, and chair arms and tables in waiting area multiple times a day. We continue to be focused and committed to working with each of you to ensure we continue to meet and exceed your expectations. We are here for you.

We thank you for your business and more importantly, your friendship. Please be safe and exercise extra precaution during this challenging time.
