## Watershed council meeting to discuss coastal fire history

At the Siuslaw Watershed Council General Meeting being held tonight (May 26) from 5:30 to 7 p.m. via Zoom, there will be a presentation on "Coastal Fire History: The 2020 Sweet Creek Fire & Fire Prevention."

Coastal Oregon has a long history of wildfires and is at risk for wildfires today, as the 2020 Mapleton and Echo Mountain Complex fires demonstrated. Knowing this history can serve as a reminder of wildfire dangers that coastal residents face, and be a prompt to prepare our communities to prevent or withstand fires.

Aaron Groth will present this talk, which will cover coastal Oregon fire history, recent fires, and steps

area residents can take to protect their community, family, home and property.

Groth is the Regional Fire Specialist for Coastal Oregon in the Forestry and Natural Resources OSU Extension Fire Program. He is bringing his knowledge and resources to the Siuslaw Watershed community.

The public is encouraged to bring questions for a Q&A.

The meeting will be hosted via Zoom and is free to attend. However, registration is required and is easy to do:

• Register in advance for this meeting by pasting the following link into your web browser and following on-screen instructions:  
<https://zoom.us/>

meeting/register/tJElf-6vqTljHNa3QazGXkJwOE-hfqupDeER.

• After registering, you will receive a confirmation email containing information about joining the meeting.

• If you have any trouble registering, contact watershed@siuslaw.org, or call 541-268-3044 for help.

In addition to the above topic, the Siuslaw Watershed Council is accepting nominations for the Spirit of the Siuslaw Award.

The deadline for the council's Spring Photo Contest is May 31.

The public is invited to enter the photo contest, which has a theme of "New Life."

All photos should depict the theme and be from an

area within the Siuslaw watershed (Lorane/Blachly in the east to Florence/Pacific Ocean in the west and including the Coastal Lakes watershed from Lily Lake north to Tahkenitch south).

All photos are to be submitted digitally to photocontests@siuslaw.org and received by May 31, 2021.

People are limited to two entries.

In addition to the fame and notoriety of being determined the winner, the contest winner will receive SWC logo merchandise as a thank you.

The contest winner will be announced in June.

For more information, visit [www.siuslaw.org/events](http://www.siuslaw.org/events).

## Police pursuit ends in couple's arrest for string of thefts

On May 23, Florence Police was notified of a vehicle broken into with items stolen in the 2700 block of Highway 101.

While responding to that report, officers received information that a credit card stolen from the victim vehicle was being used at a local market. Police responded to the market and received a description of the male and female suspects, along with a description of the

suspect vehicle, which was a truck with trailer and a car on the trailer.

A short time later, officers spotted the suspect vehicle on Highway 101 just south of the Florence bridge. Officers attempted to stop the suspect vehicle but the vehicle fled and officers initiated pursuit.

Florence officers continued the pursuit south, where they were assisted by the Douglas County Sheriff's Office (DCSO) and the Reedsport Police Dept.

Near MP 209, DCSO attempted to use spikes to disable the suspect vehicle but with no success. Florence officers terminated their pursuit of the vehicle at approximately MP 220.

Meanwhile, officers from the Coos County Sheriff's Office (CCSO) and Oregon State Police located the suspect vehicle sometime later

and those officers initiated a pursuit of the vehicle as well. Officers were able to successfully spike the suspect vehicle and then located the vehicle abandoned.

Officers were able to locate the suspects after a search and with the help of K9 units.

The suspects were returned to Florence PD and lodged in the Florence City Jail waiting transport to Lane County Jail.

It was discovered that the truck the suspects were driving, the trailer they were pulling and the vehicle on the trailer were all stolen, each from a different location in the Olympia, Wash., area.

There was evidence of drug possession and other stolen property located in the suspect vehicle as well, with the stolen property turned over to Florence PD

for follow up.

Florence Police has charged the two suspects with Unlawful Entry of a Motor Vehicle, Felony Elude, Theft II, Criminal Mischief II, Possession of a Stolen Vehicle x3 and Fraudulent Use of a Credit Card with additional charges possible.

Other agencies involved have charges against the suspects in their jurisdictions as well.

Florence PD was assisted by DCSO, Reedsport PD, OSP, CCSO and North Bend PD.

Arrested were:

• Bryce L. Adams, 24, of Montana (Adams had a warrant out of MT but it was an in-state warrant only and not serviceable in Oregon)

• Kendra E. Schratz, 27, of Montana.

## County planning commission seeks 3 members

There are three vacant positions on the Lane County Planning Commission and applications to fill those positions are being accepted now.

The open positions include:

- A representative of the Lane County's Coastal area
- A representative who lives within an incorporated city
- An at-large representative

The Lane County Planning Commission is a nine-member advisory

board that makes recommendations to the Board of County Commissioners regarding land use, comprehensive plan issues and amendments, as well as other regional planning issues.

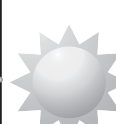

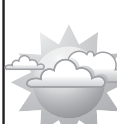

The group generally meets twice per month in the evenings.

"How we implement our comprehensive plan and issues related to land use is how we build our community for ourselves and future generations," said Lane County Planning Director

Amber Bell. "It's important that the Commission reflect our community both in terms of geography and representation of different voices and experiences."

Applicants must be residents of Lane County. The Coastal area is defined as west of the eastern boundary of the Mapleton School District.

To learn more or download an application, visit [www.lanecounty.org/volunteer](http://www.lanecounty.org/volunteer).

## Health is our #1 Priority!

At Shervin's we are taking extra precaution in order to ensure that our customers and staff are kept safe and encouraging employees to stay home if they feel under the weather.

**1 Car Sanitation** - All cars are wiped down with a sanitizer before and after the service. We wipe down any areas in the interior where employees have touched, such as door handles, the steering wheel, keys, shifters and power window panels.

**2 Hand Sanitation** - Our staff will continue to wash their hands throughout the day and change gloves after each car they service.

**3 Give Customers Options** - We will pick up and deliver your vehicle to your home. You may also drop your key in our secure mailbox for drop-offs to avoid or minimize contact.

**4 Employee Illness is Serious** - We are encouraging employees not to shake hands. We are practicing "personal distancing" and encouraging employees to stay home if they feel under the weather.

**5 Wipe Down High Touch Points** - We wipe/spray counters, credit card machines, door handles, phone handles, kitchen areas, and chair arms and tables in waiting area multiple times a day. We continue to be focused and committed to working with each of you to ensure we continue to meet and exceed your expectations. We are here for you.

We thank you for your business and more importantly, your friendship. Please be safe and exercise extra precaution during this challenging time.
