OHA releases face covering requirements for Culminating events

After receiving clarification today from the Oregon Health Authority (OHA) and Oregon Department of Education (ODE) regarding face covering requirements guidance as it pertains to outdoor/indoor school sports, the Oregon School Activities Association (OSAA) released its guidelines for sporting activities related to Culminating Week sports events.

Outdoor Sports:

Students, staff, volunteers and spectators are not required to wear face coverings at outdoor sports events. Until additional updates are provided, all previous physical distancing and capacity restrictions still apply.

Indoor Sports:

Fully vaccinated students, staff, volunteers and spectators are not required to wear face coverings at indoor sports events *only when vaccination status is checked* by the school in a manner described by OHA in guidance.

Until additional updates are provided, all previous physical distancing and capacity restrictions still apply.

These provisions are optional for the venue operators. School districts, charter schools and private schools may still choose to require face coverings at these events.

Guidance from OHA on entertainment establishment capacity and physical distancing is currently under review and may be updated in the coming days.

Per the OHA, "fully vaccinated" means an individual has received both doses of a two-dose COVID-19 vaccine or one dose of a single-dose vaccine and at least 14

Local racer 'Gee' Armstrong back kicks sand racing back in gear

Florence-based sand drag racer Gary ("Gee") Armstrong has been practicing at the Oregon Dunes for the upcoming 2021 racing season. Armstrong, who took home the Stock Turbo Class Crown in 2019, reflected on the lack of a season in 2020.

"Sadly, the pandemic paused all pro racing in 2020," he said. "But I'm excited that we're back to a full schedule of exciting racing and events for racers and the fans in 2021."
