“The way the kids rallied... this is the most amazing year I’ve ever had, and I’ve been coaching now for 34 years,” said Coach Neil Wartnik of the Siuslaw boys wrestling team’s performance at the 4A State Championship held at Cascade High School last weekend, June 25 and 26.

It was a fantastic end to a season for the record books, with six out of eight athletes who went to state place sixth or better.

“Wow. That’s the word,” he said. “It was an amazing weekend. I would compare the experience to what it is like riding the Incredicoaster at Disney California Adventure, only this ride lasted 15 hours, and was split over two days.”

“Hayden has been a really good athlete for many years and in multiple sports,” said Assistant Coach Bob Forsythe. “When I first got to know her, she was still playing club volleyball, so she missed a lot of practices and things, but she still excelled so well in wrestling.”

Her dedication and drive have taken her a long way in wrestling, going to state as an underclassman last year and

Hello Florence!

We’re almost to the end of the month of June and I thought I’d do a recap of June 1st thru June 25th . For that time period, there were 58 new listings. This includes Mapleton, town, north, south and beach. 48 were residential, one multi family, 2 commercial and 7 new lots. Of the 48 residential, 4 are already sold and 19 were pending. As for lots, commercial and Multi, they are all still active. It’s brisk and busy for the residential side of things. If you need any help buying or selling, give me a call. I will get back to you ASAP! Remember to use a local realtor, it makes sense.
