OBITUARIES

STRANGE—Evelyn of Florence, and the Lady Strange ended her struggle with cancer peacefully on July 6, 2021, while living in Albany, Ore.

Evelyn was born in Marshfield, Ore., which is now North Bend, on Sept. 9, 1924, to Roy Parker and Marie Tobeck Parker. Evelyn is preceded in death by both her parents, her sister Barbara Troutman and Eddie Strange, her husband of 57 years.

Evelyn grew up near San Francisco, Calif. Later, her family moved to Oregon to Alsea, then Morse Valley and Yamhill.

Evelyn and Eddie were married in Chula Vista, Calif., on Nov. 23, 1942, during World War II. They lived in the Newburg area after the war. In 1953, they moved to Corvallis, Ore. They lived there for 13 years and then moved to Florence, Ore.

In Florence, Evelyn worked as Eddie's secretary for his electrical business, was active in the Christian Church, with Soroptimist International

of Florence, and the Lady Elks.

Evelyn Strange

After Eddie's stroke, she became a CNA and enjoyed working at the Florence hospital for many years. Evelyn was very active in the Home Extension Program for many years.

Evelyn loved people and had many friends everywhere she went — but most importantly, loved her family and grandchildren. She always had cookies in her cookie jar, loved walking on the beach and her little red home on the corner.

Evelyn is survived by her three daughters, Marie Turner of West Salem, Ore., Nancy Harris of Albany, Ore., and Linda Gold of Vancouver, Wash. She has nine grandchildren, 17 great-grandchildren and 2 great-great-grandchildren.

A ceremony will be held on Thursday, July 15, at 7 p.m. at the Brookdale Independent Facility, 1560 Davidson St South East, Albany.

DMV CONTINUES EXPANDING SERVICES

Oregon Department of Motor Vehicles (DMV) is continuing to expand services and increase choices for Oregonians who need services online, by appointment and in person.

"If the last time you visited DMV was before the pandemic, maybe you wished you could have gotten your service online," DMV Administrator Amy Joyce said. "Now you can. Many more services are available now at DMV2U."

Demand for in-person DMV services remains high, so check DMV2U.Oregon.gov first to see if you can get what you need online. If not, you can make an appointment using DMV2U.

DMV has added over 20 services online in the past couple years. Among the most recent:

You probably can renew or replace your driver license, permit or ID card,

and DMV will mail it to you.

You can start a vehicle title and registration application online, which includes a fee calculator to help figure out how much to include when you mail your transaction to DMV.

You can renew your vehicle registration, order replacement stickers, or report a change of address if you move inside Oregon.

New to Oregon and have an out-of-state driver license? You can start your application online, learn what you need to bring with you and schedule an appointment at a DMV office.

DMV2U is part of ODOT's commitment to put transformative technology to use to make Oregon's transportation system more efficient and user friendly.

Some DMV services require an in-person visit, such as issuance of your

first Oregon permit or license, testing, or adding the Real ID option or a motorcycle endorsement.

"Every place in Oregon where people have been wanting to visit for the past 15 months — restaurants, resorts, concerts and DMV — will be crowded," Joyce said. "Appointments are the best way to get DMV services now and in the future. Even after we catch up with the pandemic backlog, DMV will continue to offer appointments as a convenient option for Oregonians."

DMV adds appointment slots Monday evenings, and they fill fast, so check regularly for an open slot at offices near you. You can also find out online what

you need to bring to DMV to ensure you get what you need in one visit.

If you choose to drop by your local DMV office to see if you can get standby service, many offices have a modern version of "take a number" — a "virtual lobby" that will text you when your turn at the counter is coming up. You can wait in your car or nearby the DMV.

"If you visit without an appointment, there is a chance the office won't have the capacity to serve all customers that day, and you may need to visit another day," Joyce said. "That's why we recommend appointments — to save you from waiting with no guarantee that office has capacity that day."
