Increased emergency SNAP benefits

Most Oregonians who receive Supplemental Nutrition Assistance Program (SNAP) benefits will receive emergency allotments in August.

The federal government has approved emergency allotments every month since March 2020, to give SNAP recipients additional support during the COVID-19 pandemic.

In August, approximately 417,000 SNAP households will receive approximately \$66 million in emergency allotments in addition to their regular SNAP benefits.

"We know that many Oregonians are still struggling to meet their basic needs due to the COVID-19 pandemic, and we encourage them contact our partners at 211 and the Oregon Food Bank for support during this difficult time," said Dan Haun, director of the Oregon Department of Human Services (ODHS),

Self-Sufficiency Program.

Emergency allotments will be available on Aug. 11 for current SNAP households. New SNAP households will receive the emergency allotments Aug. 31 or Sept. 2. SNAP recipients do not have to take any action to receive these supplemental benefits.
