Florence and Western Lane County Residents, stop paying **THREE TIMES** for an ambulance ride!

**Sign the Petition**  
for your right to vote on ambulance taxes!

We deserve a right to vote **THIS NOVEMBER** on the government merger that makes us pay three times for an ambulance ride. We already pay two extra property taxes on top of the normal charges for a single ambulance ride. We should end the government-run ambulance service and stop paying three times for the same ambulance ride.

**This Government-Run Ambulance Service is an Expensive Boondoggle**

Western Lane Ambulance District charges us two extra property taxes on top of the normal charges for a single ambulance ride. We are forced to pay hundreds every year for an ambulance ride we may never take.

**Local Seniors are Nickel-and-Dimed by Government-Run Ambulances**

Florence great-grandmother Marion Patton took a four-mile ambulance ride this year and was still charged \$250 by the government-run ambulance service despite taxpayers paying two extra ambulance taxes.

**WE DEMAND THE RIGHT TO VOTE ON WHETHER WE WANT TO CONTINUE PAYING THREE TIMES FOR AN AMBULANCE RIDE**

As Western Lane County residents and taxpayers, we got involved in the ambulance district because it's a big annual bill for our local home and business owners. As we began to look under the hood, we discovered that this government-run ambulance district is an expensive boondoggle. **WE'RE ASKING THAT YOU TAKE ACTION AND JOIN US IN DEMANDING THAT THE GOVERNMENT OFFICIALS IN CHARGE ALLOW US TO VOTE** on whether we want to continue paying three times for an ambulance ride.
