## 'Democracy Can't Wait' Rally on Aug. 10

The freedom to vote is under attack across the country by people who want to put up deliberate barriers to make it harder to vote.

On Tuesday, Aug. 10, thousands of people across the country will attend a Democracy Can't Wait rally in their community to demand U.S. Senate action on the For the People Act.

Locally, the Democracy Can't Wait Rally will be held in front of the Florence City Hall, 250 Highway 101, from 1 to 2 p.m.

The For the People Act seeks to realize the promise of American democ-

racy, get big money out of politics, ensure the freedom to vote and guarantee

that congressional districts are drawn to give fair representation for all.
