per \$1,000 assessed value for five years beginning 2022- 2023 for emergency medical operations?

This measure renews current local option taxes.

Summary:
Western Lane Ambulance District provides emergency medical services to over 20,000 residents across approximately 564 square miles in western Lane County. The District employs 15 highly trained paramedics and EMTs who are responsible for delivering critical care (paramedic emergency treatment and ambulance transportation) to our communities.

The District is staffed to operate three ambulances to ensure resident's needs are met 24 hours a day, 7 days a week.

The current local option levy will expire in 2022 unless renewed. Since the levy was originally passed in 2012, service call volume and operational costs have increased significantly. In addition, property tax limitations in Oregon's Constitution have restricted revenue growth.

Renewing the local option levy allows the District to maintain service levels while keeping pace with growing community demand. Median assessed household cost in Lane County is estimated to be \$8/month. The proposed rate will generate approximately \$1,006,545 in 2022-2023, \$1,041,774 in 2023-2024, \$1,078,236 in 2024-2025, \$1,115,974 in 2025-2026, and \$1,155,033 in 2026-2027 for a total of \$5,397,562. The estimated tax cost for this measure is an ESTIMATE

ONLY based on the best information available from the county assessor at the time of the estimate and may reflect the impact of early payment discounts, compression, and the collection rate.

"Yard Sale Checklist"

Have you ever hosted a yard sale with dismal sales? You Make a dollar per hour for your efforts. No Fun.

If you want to add to your savings account or start an emergency fund by throwing a yard sale, use these tips to host an epic event.

- ★ **Define Your Goal**
Get rid of stuff fast? Make as much money as possible? What is the goal of your yard sale?
- ★ **Schedule Your Sale**
If you're moving, you may also be up against some tight deadlines that complicate things. If you have a lot of time, you can maximize your result by scheduling a few events that target special or seasonal items.
- ★ **Merchandise**
Locate and sell anything you no longer want or need. Don't base what you sell on what you would buy. Offer to sell stuff for family and friends. Look beyond household stuff as your merchandise. Take the time to wipe off the dust and dirt.
- ★ **Differentiate Your Event**
Label your sale. Offer free delivery! Recruit the help of your neighbors. Offer free lemonade, cookies, or even just ice water.
- ★ **Advertising**
Siuslaw News Garage Sale ads are \$26 and includes 2 Garage Sale signs.
- ★ **Supplies**
The right supplies can make your sale run more smoothly. So as you get closer to the big day, gather everything you need: markers, calculators, tables, shelves, boxes, bags, and more!
- ★ **Pricing**
Are you selling things to make money or to get rid of them? This question affects everything you do, from how you price things to how willing you are to negotiate.
- ★ **Staging**
If you really want more bang for your buck, borrow, from the big retailers' playbook for how to display your merchandise, you can find this online.
- ★ **Avoid Problems**
The early birds, future burglars, being the hostess with the mostess are just a few problems that can come up. Prepare ahead of time!
- ★ **Wrapping It Up**
Have a plan for what you'll do with your unsold merchandise.
