## Middle schoolers can register for 90 by 30 course

Registration for 90 by 30's "40 Developmental Assets" for middle schoolers and its monthly meetings will be available at this year's Middle School Registration days on Aug. 18 and 19.

"40 Developmental Assets" is a program within the 90 by 30 Child Abuse Prevention Initiative which has been active in West Lane County since 2013.

The sessions are based on developing healthy behaviors such as positive self-esteem and identity, commitment to learning and constructive use of time.

The Search Institute, creators of the 40 developmental assets, has verified that if a person has 35 to 40 of these assets, they have less than 1 percent chance of having lives disrupted by conflict, addiction, criminal behaviors or poverty, among others.

The monthly sessions will be meeting at Siuslaw Middle School on second Sunday afternoons during the school year and are open to all middle schoolers who reside in the Siuslaw and Mapleton school district boundaries.

Other areas of 90 by 30 include "Welcome Baby" bundles, "April as Child Abuse Prevention Month" and "Roots of Empathy." "40 Assets" is also looking for volunteers who are interested in doing this work to contact us and join in the process.

For more information, email [Jeanne@90-x30.com](mailto:Jeanne@90-x30.com) or call Suzanne at 541-590-0779.
