Tips To Help You Stay Active And Become A Healthier You

(NAPSI)—Following a challenging year, it may be difficult to get back into a healthy routine. Summer is a great time to think about what you can do to improve your health. Wherever you are on your journey to active and healthy living, there are things you can do to help you get or stay on track.

Try these tips to help manage your weight and stay active.

- **Try to be active every day.** Make physical activity a part of your daily routine rather than something you do occasionally. Invite a friend or family member to make it more fun and to help you stick with your goals.

- **Think small.** Small changes can add up to big results if you stay consistent. You don't have to run a marathon or go on a strict eating plan to lose weight. Taking just a 10-minute walk every day or replacing your bowl of ice cream with a piece of fruit are great choices that can improve your health over time.

- **Look for creative ways to be healthier.** There are many ways to form healthy habits. Walk around a school track or a local park, take the stairs instead of the elevator, or try a hobby that keeps you moving, like gardening or dancing. Look for snacks low in added sugar and salt, like frozen or fresh fruit, hummus, and crunchy veggies.

- **Reduce your "screen time."** We may not realize how much time we spend sitting still watching television, playing online games, or being on social media. Try turning off devices and take a walk, try a new sport with

your loved ones, or create a playlist of favorite songs and have a dance contest.

- **Be mindful of your eating habits.** Keeping a food and beverage diary will make you more aware of what you eat and drink, which can help you make healthier choices. Many apps and online tools are available to help you track your meals.

Health is a lifelong pursuit and is more achievable when you turn healthy behaviors into habits. To do that, remember to:

- **Be patient.** Most people at some point in their lives try to become more active or lose weight. It's not easy, but it is doable! If you stick to your plan, you can reach your goals.

- **Be prepared for setbacks.** It's normal to have slip-ups on your health journey. Don't feel bad or punish yourself. Instead, remember that creating new habits takes time.

- **Celebrate successes.** Losing weight and becoming more physically active are big achievements. Be proud of yourself for wanting to become healthier and for doing what you can each day to make that happen.

"Yard Sale Checklist"

Have you ever hosted a yard sale with dismal sales? You Make a dollar per hour for your efforts. No Fun.

If you want to add to your savings account or start an emergency fund by throwing a yard sale, use these tips to host an epic event.

- ★ **Define Your Goal**
Get rid of stuff fast? Make as much money as possible? What is the goal of your yard sale?
- ★ **Schedule Your Sale**
If you're moving, you may also be up against some tight deadlines that complicate things. If you have a lot of time, you can maximize your result by scheduling a few events that target special or seasonal items.
- ★ **Merchandise**
Locate and sell anything you no longer want or need. Don't base what you sell on what you would buy. Offer to sell stuff for family and friends. Look beyond household stuff as your merchandise. Take the time to wipe off the dust and dirt.
- ★ **Differentiate Your Event**
Label your sale. Offer free delivery! Recruit the help of your neighbors. Offer free lemonade, cookies, or even just ice water.
- ★ **Advertising**
Siuslaw News Garage Sale ads are \$26 and includes 2 Garage Sale signs.
- ★ **Supplies**
The right supplies can make your sale run more smoothly. So as you get closer to the big day, gather everything you need: markers, calculators, tables, shelves, boxes, bags, and more!
- ★ **Pricing**
Are you selling things to make money or to get rid of them? This question affects everything you do, from how you price things to how willing you are to negotiate.
- ★ **Staging**
If you really want more bang for your buck, borrow, from the big retailers' playbook for how to display your merchandise, you can find this online.
- ★ **Avoid Problems**
The early birds, future burglars, being the hostess with the mostess are just a few problems that can come up. Prepare ahead of time!
- ★ **Wrapping It Up**
Have a plan for what you'll do with your unsold merchandise.
