Vets Parade Committee names two 2021 Grand Marshals

The Florence Veterans Day Parade Committee has recently named the two local veterans who will share the Grand Marshal status at the 2021 parade, scheduled to take place Thursday, Nov. 11, 2021. Both veterans are retired from distinguished careers in the military and active in Florence area veterans' efforts.

Tony Cavarro served in the U.S. Marine Corps from 1951 to 1970, retiring as a first sergeant. During his years in the Corps, he served in Combat Engineers in Korea in 1951 and 1952, and then in an Infantry Company in Vietnam in 1967 and 1968.

Paul Gargis served in the U.S. Army from 1957

to 1978, retiring as a Command Sergeant Major. During his years in the Army, he served two tours in Vietnam, '68-'69 and '71-'72.

Co-Chairs Jim Swant and Bob Brown stated that the Parade Committee is also continuing to evaluate if current COVID concerns will still allow a parade in

...need a friend?

BUBBA IS A SPECIAL NEEDS CAT.
 Bubba's story before his time with us was a sad one. When he arrived at the shelter he was a starved, neglected tomcat. Since his arrival Bubba has grown - literally. He is now LARGE (14 pounds!) and in charge. Because of Bubba's vision, he will need to be an indoor-only cat. We do not believe he could see well enough to escape a predator. Bubba is shy and can be difficult for people to handle, but he is great with other cats - the younger and more playful, the better! Bubba loves ball toys and will play ball with you alllllll day. Please come meet this special boy and see if he's a good fit for your family.

If you would like to meet them or any of their friends, please visit us at:

Dealing with Power Outages

We hate outages, and we know you do, too. For those rare moments when outages happen, here's some tips:

- Call us to let us know your power is out at 877-265-3211. This helps us map outages.
- Keep mobile phones plugged in when at home, especially if you do not have a landline. Outages can come at any time, and if your phone's power is low, you may not have it working when you need it.
- Check outage info from Central Lincoln On our website at clpud.org, on Facebook at Central Lincoln PUD.
