

Community Foundation 2022 grant applications now available

Western Lane Community Foundation (WLCF) has announced the opening of its 2022 grant cycle. The grant application has been updated and can be found at wlcfonline.org. Each year, WLCF awards grants to local non-profit organizations for projects/programs in its target area of western Lane County. Grants are

awarded in the areas of education, medicine and science, the arts, and social and civic services. In 2021, over \$89,000.00 was awarded to many of these worthy causes. The annual amount to be awarded is determined by the performance of the invested portfolio of discretionary funds during the current year.

The deadline for 2022 grant requests is Jan. 15, 2022. The application may be downloaded from WLCF's website. It is highly recommended that applicants review the updated Grant Guidelines. People can submit applications to Western Lane Community Foundation, P.O. Box 1589, Florence, OR, 97439 or by

email to wlcfc@wlcfonline.org in PDF format. Completed applications must be postmarked or emailed no later than close of business on Jan. 15. Applications will be reviewed by the Board of Directors and each applicant will be contacted by a Board Member for an interview regarding the

request for funds. Grantees will be selected in February and awarded in late March. Selected grant recipients will be required to submit a grant report due by Sept. 30, 2022. Grant requests and awards will be selected based on merit, need and benefit to the community at large. Grant requests and award amounts vary

greatly, but are usually between \$100 and \$5,000, depending on the nature of the grant project and funds available for distribution. If applicants have questions or concerns about the new grant application, they are encouraged to contact WLCF at wlcfc@wlcfonline.org or 541-997-1274.

Fire season delays opening of fall outdoor burning until Oct. 15

The fall outdoor burning season will open on Friday, Oct. 15, for many Lane County residents. The season, originally set to start Oct. 1, was delayed by the Lane County Fire Defense Board and the Oregon Department of Forestry (ODF) due to a dry and warmer than average weather outlook. "Recent rain has been

beneficial to reducing wildfire danger across Oregon," said Lane Regional Air Protection Agency (LRAPA) Spokesperson Travis Knudsen. "But the current forecast is dry, sunny, and warm." Yard debris may not be burned while the season remains closed. Lane Forest Products, Rexius, or Lane County's transfer

stations and dumpsites are resources available to those who wish to dispose of woody yard material ahead of the burn season on Oct. 15. Residents who burn during the closed season are subject to violations ranging from \$50 to \$2,500 or more. LRAPA has published a factsheet providing information on non-burning

disposal alternatives for natural vegetation in Lane County. The Lane County Fire Defense Board and ODF will decide to open the fall burning season or delay it further closer to Oct. 15. People can check on the season's status by going online at www.lrapa.org. Coastal residents may call 541-997-1757.

Always looking for new and exciting ways to reach people, the organization has created a safe and creative new alternative event for families to enjoy this Halloween season. Throughout October (after the 7th), the public is invited to come and enjoy CROW's four highly decorated "Macy's style" window displays, which will be co-designed by retired Senior Art Director

Heard. "The displays will be lit up with spooky lighting and packed with tons of fun props you'll have to see to believe," said Heard. "They will be family friendly, with a big dash of seasonal humor added in." Starting on Oct. 7, 8 and 9, and continuing on Thursday, Friday and Saturday nights from 5 to 8 p.m. through the end of the month, CROW will be offering original parking lot radio programming. "Come and park your car in our lot, and tune into the station specified on the sign on the front of our building," said Heard. "Our kids and adults will tell you some hair-raising stories, mixed with clever Halloween jokes, and perhaps a few groaners. We will also be mentioning the names of some local sponsors, so let us know if you want to sponsor one of the jokes." The deadline for sponsorship is Sept. 30, and sponsorships are \$250 each. The idea to decorate the CROW building for Halloween was suggested by CROW Board Member Amy Owens. "It will be nice for families and the general public to have a destination that they can go to and enjoy some Halloween fun," said Heard. CROW's Technical Director Chris Owens offered to figure out the radio broadcasting logistics. And from there, the idea took off. "CROW hopes you'll bring your friends and family to see the window displays, and to tune in to "K-R-O-W" in the parking lot," Heard said. The CROW Center for the Performing Arts is located at 3120 Highway 101. The radio program will be about 30-ish minutes in length. "We may not be able to do our big Haunted Maze this year, but this IS something we can do, and we hope it will make you grin like a Jack-o-lantern." For more information, follow CROW on Facebook or visit crowkids.com.
