MEET BABA

Baba came to the shelter over 90 days ago. Since then she has shown the shelter staff what a great dog she is. She is always up for a walk, and for some belly rubs. This strong girl is looking for an active family that will help her enhance the skills she has started to learn here at the shelter. She is a little shy at first with some people but with the right treats and patience warms up. She had a sleepover with a male lab mix and was a perfect playmate so we believe she could live with another dog her size. Please fill out an application at www.oregoncoasthumaneociety.org if you'd like to consider adding this special girl to your family.
