ROTARY INTERNATIONAL WORKS TO ERADICATE POLIO

The Rotary Club of Florence marked the historic progress Rotary International has made toward bringing about a polio-free world to help end the paralyzing disease on Oct. 24, World Polio Day. When Rotary and its partners launched the Global Polio Eradication Initiative in 1988, there were 350,000 cases of polio in 125 countries every year.

Rotary has made great progress against the disease since then. Today, polio cases have been reduced by 99.9 percent, and just two countries continue to report cases of wild poliovirus: Afghanistan and Pakistan. Rotary remains committed to the end. With polio nearly eradicated, Rotary and its partners must sustain this progress and con-

tinue to reach every child with the polio vaccine. Without full funding and political commitment, this paralyzing disease could return to polio-free countries, putting children everywhere at risk. Rotary has committed to raising \$50 million each year to support global polio eradication efforts. The Bill & Melinda Gates Foundation has pledged to match that

2-to-1, for a total yearly contribution of \$150 million. Rotary has contributed more than \$2.2 billion to ending polio since 1985, including thousands of dollars every year donated by the Rotary Club of Florence, Oregon, from the annual auction and the Cool at the Coast Golf Tournament. Rotary is a global network of 1.2 million neighbors, friends,

leaders and problem-solvers who unite and take action to create lasting change in communities around the globe. Visit endpolio.org to learn more about Rotary and the fight to eradicate polio. For information about the Rotary Club of Florence, contact President Karen Skulley at krskulley@msn.com or visit www.theflorence Rotary.org.

LCPH opens drive-thru vaccine clinic to serve those with mobility needs

Lane County Public Health (LCPH) announces the opening of a drive-through clinic to provide COVID-19 vaccinations to those in the community with mobility needs or who have difficulty navigating large indoor spaces. The drive-through clinic is located at the Lane Events Center Center, 796 W 13th Ave. in Eugene, and is now offering vaccinations.

Individuals may begin scheduling appointments at the drive-through clinic immediately. Hours of operation this week are noon to 2 p.m. Tuesday through Thursday and 10 a.m. to 2 p.m. on Friday. "We are pleased to open this drive-through vaccination facility for those in Lane County who need better access than our walk-in clinics can currently

afford," said Lisa Chambliss, LCPH Community Health Nurse. "This drive-through clinic is considerably smaller than what people may recall from earlier this spring at Autzen Stadium or the Fairgrounds. It will only be 2-3 lanes, so we ask that all who are able to use our walk-in clinics at various locations around Lane County to please use those locations. We are excited to

be able to provide drive-through capacity to those who really need it." In addition, LCPH is offering a vaccine clinic in west Lane County on Saturday, Oct. 30, from 1 to 3 p.m. at Siuslaw Middle School, 2525 Oak St. in Florence. The clinic will offer first, second and booster doses of Pfizer as well as the single-dose Johnson & Johnson vaccine. Effective Oct. 26,

LCPH is offering boost doses of Pfizer and Moderna COVID-19 vaccine to individuals 18 years of age and older who are six months past the last shot of their primary series. Individuals 18 years and older who received the Johnson & Johnson COVID-19 vaccine are also eligible for a boost dose two months following their initial dose. Further, the Food and

Drug Administration and the Centers for Disease Control have authorized "mix and match" booster doses for all approved vaccines; individuals who received one vaccine brand for their primary series may receive another approved vaccine brand. For more information, visit Lane County's COVID-19 Vaccination webpage at lanecounty.org/vaxclinics.

SHS seeks veterans for annual assembly

Siuslaw High School is again conducting its Veterans Day Assembly with participation by local veterans. Siuslaw Leadership student Cate Waggoner is helping to organize the event and wants veterans

from every era to be alert for forthcoming information. The assembly will take place Wednesday, Nov. 10, at Siuslaw High School, 2975 Oak St. There will be a check-in and breakfast for vet-

erans beginning at 8:20 a.m. in the SHS mall area. The assembly then begin around 9 a.m. Each veteran will be acknowledged at the assembly, as well as branches of service. Florence-area veterans who want to participate can RSVP to Waggoner at 541-999-0227 or cdaewaggoner@gmail.com.

Signups to open soon for Low Income Home Energy Assistance

Siuslaw Outreach Services will once again hold sign-ups for the Low Income Home Energy Assistance Program (also known as LIHEAP) on Monday, Nov. 1 beginning at 9 a.m. This federally funded program is designed to ease the burden of low-income household

that experience rising heating bills in the winter. Funds are dispersed on a first come, first served basis. This one-time payment toward an applicant's heating bill is based upon monthly gross income and number of household members. To sign-up for the waitlist, applicants may stop by the Siuslaw Outreach Services office on

12th Street in Florence or call the office at 541-997-2816. Sign-ups will not be accepted prior to 9 a.m. on Nov. 1. Applicants will be notified of an appointment time. At the time of the appointment, applicants will be required to provide copy of heating bill, proof of residency and proof of income. Sign-ups will be taken until all space is filled.
