BOOK REVIEW
"IN THE SHADOW OF THE EMPRESS"
BY NANCY GOLDSTONE

Out of the thrilling and tempestuous 18th century comes the sweeping family saga of beautiful Maria Theresa, a sovereign of

uncommon strength and vision, the only woman ever to inherit and rule the vast Habsburg Empire in her own name, and three of her remarkable daughters: lovely talented Maria Christina, governor-general of the Austrian Netherlands; spirited Maria Carolina, the resolute queen of Naples; and the younger, Marie Antoinette, the glamorous, tragic queen of France, and perhaps the most famous princess in history.

Unfolding against an irresistible backdrop of brilliant courts from Vienna to Versailles, embracing the exotic lure of Naples and Sicily, this epic history of Maria Theresa and

her daughters is a tour de force of desire, adventure, ambition, treachery, sorrow and glory.

Maria Christina, a gifted artist who alone among her sisters succeeded in marrying for love, would face the same dangers that destroyed the monarchy in France.

Resourceful Maria Carolina would usher in the

Vividly written and deeply researched, "In the Shadow of the Empress" is the riveting story of four exceptional women who changed the course of history.
