Donations help local students

Habitat for Humanity's Ivy Rash (far left) and local business owner Gary Cargill (far right) presented Siuslaw School District Special Programs Secretary Ella Glowacki donations in the amount of \$2,000 and numerous items of clothing needed at this time for the homeless students of Siuslaw School District. Siuslaw staff (from left to right) Glowacki, Tammy McKenzie, Leonard Ulrich and Amy Flora were present and were delighted to receive the items. "Thank you both so very much for all you have done for our students in need," Glowacki said. "I know that the holidays can be such an incredibly busy time of year, yet you found it in your hearts to help our students. Thank you!" Cargill organized the donation drive. He thanked Habitat for Humanity, Siuslaw News, Siuslaw Valley Fire and Rescue, Rhody Cruisers, Florence In Bloom and all the community members and businesses who volunteered and contributed to this much needed effort.

Drive sober this holiday season

The Lane County Sheriff's Office and Lane County transportation planners remind everyone to drive sober and slow down this holiday season.

"We typically see an increase in impaired driving during the holidays," said Lane County Sheriff's Sergeant Tim Ware. "People are busy celebrating and maybe not tracking their alcohol or cannabis consumption. We also tend to encounter people who are drinking or using other substances more during the holidays to cope with family or seasonal stressors – and if they get behind the wheel it can be deadly."

Utilizing grant funding provided through Oregon

Impact, the Sheriff's Office will be staffing additional DUII patrols this holiday season.

Stay safe:

- Plan ahead for a sober driver to safely drive you to your destination. As with drunk driving, it is essential that drug-impaired drivers refrain from driving a vehicle.
- Passengers should never ride with an impaired driver. If you think a driver may be impaired, do not get in the car.
- Do you have a friend or family member who is about to drive while impaired by alcohol or drugs? Take the keys away and arrange to get them home

safely. Don't worry about offending someone — they'll thank you later.

• If you see an impaired driver on the road, call 9-1-1.

"We especially want to remind people who will be driving in rural Lane County this holiday season," said Becky Taylor. "Our rural county roads are often winding and narrow with little room to recover if you leave your travel lane. Sadly, there are several county roads with high numbers of serious injury or fatal crashes, including London Road south of Cottage Grove which is our first Safety Corridor and the focus of several education and engineering

efforts."

In addition, drivers should not drive drowsy. To remain alert and avoid drowsiness:

- Get plenty of sleep (at least six hours) the night before a long trip
- Travel at times when you are normally awake, and stay overnight rather than drive straight through
- Schedule a break every two hours or every 100 miles
- Stop driving if you become sleepy.
- Avoid sleepy times of day. Take a mid-afternoon nap and find a place to sleep between midnight and 6 a.m.
- Travel with an awake passenger.

Churches to hold Christmas Eve candlelight services

The congregation will be singing favorite Christmas carols and will have a special song sung by a soloist.
